European Journal of Trauma & Dissociation

AFTD - ESTD

LIGNE ÉDITORIALE *Overview*

The European Journal of Trauma & Dissociation is the official journal of the European Society for Trauma and Dissociation and of the French language Association of Trauma and Dissociation. Launched in 2017 and published e-only, the journal is dedicated to publishing scientific and clinical literature on dissociation, the dissociative disorders, posttraumatic stress disorder, complex PTSD, psychological trauma, and attachment disturbances, in order to foster exchange among researchers, clinicians and other professionals. The European Journal of Trauma & Dissociation publishes manuscripts on theory, clinical treatment, and research related to psychological trauma and dissociation in children and adults. The journal welcomes contributions, including case studies, from anthropological, cross-cultural, historical, neurobiological, pharmacologic, physiologic, psychological, psychometric, psychotherapeutic, and social viewpoints. The journal is published quarterly.
