Editorial

Pharmacy Today is the monthly medication therapy management (MTM) magazine of the American Pharmacists Association; offering readers profiles of practices that employ unique MTM techniques to effectively serve their patients. Readers can use these profiles as models to develop and improve their own MTM practice, increase patient adherence and build patient loyalty. Additional regular features include:

- MTM Tip of the Month – Practical information for today's practitioners
 - Continuing Education – The opportunity to earn a minimum of two credits each month
 - Product Showcase – New approvals of selected Rx and OTC items
 - In depth coverage of newly approved chemical entities
 - ISMP Error Alert – The recognition and avoidance of potential drug problems
 - OTCs Today – Practical information when you're in the OTC aisles with your patients
 - Counseling Corner – Tips for educating your patients about their acute or chronic conditions and treatment options.
 - Integrative and Alternative Therapies – Evidence based articles that support or reject specific therapies.
- Other articles include:
- On the Docket – The intricacies of laws affecting the practice of pharmacy
 - Washington Insider – Highlights of government measures that can affect your practice
 - On Your Behalf – Details of APhA's policy and advocacy initiatives to enhance and improve the profession of pharmacy in all practice settings
