Specifications

File Format

**PDF or PDF/X-1a compliant files, saved as PDF version 1.3.**

Transparencies within the supplied PDF(s) will be warned. The transparent elements contained in your file(s) must be converted within the native layout application or flattened in Acrobat using the High Resolution Flattener Presets to avoid overprint issues.

Saving your PDF to Acrobat 4 (PDF 1.3) compatibility will ensure transparent elements are flattened. If the ad contains spot colors that are not converted to process colors (CMYK) before flattening, overprint and/or trap issues may occur.

The following layout applications yield the optimum results for creating a print-compliant PDF and are expected to follow all requirements listed in this document:

- InDesign version 2 or higher (CS preferred)
- QuarkXPress version 6.5 or higher

Additional costs may apply if problems are encountered.

*NOTE: When using Adobe Illustrator it is preferred to have all fonts converted to outline/paths, and files submitted as EPS files.*

Images

All high-resolution images and fonts must be included. TIFF & EPS files must conform to the following minimum resolution specifications:

- Grayscale and Color images: 300 dpi
- Combination Grayscale and Color images: 500-900 dpi
- Line art (Bitmap) images: 900-1200 dpi

Higher image resolutions are acceptable as they exceed the minimum requirements, but in some cases unnecessary resolution will be discarded to achieve smaller file sizes.

Fonts

Use of PostScript Type 1 fonts is encouraged. Include fonts for any embedded graphics. DO NOT use Type 3 or Multiple Master fonts. Avoid using Macintosh menu-stylized fonts, Macintosh "city" fonts (Chicago, Geneva, etc.) and Microsoft Outlook fonts (Tahoma, Impact, etc.).
Page Layout

Regardless of the file format supplied, all ads must conform to the following specifications:

- Final size must meet journal trim size and include 1/8" bleed image on all four sides.
- Files will include trim marks with a minimum 3/16" offset.
- No content is to be within 1/4" of all trim edges.
- Supply as single page files only.
- Right Reading, Portrait Mode, 100% size, No Rotation.
- All fonts and graphics must be either embedded or included with the files and conform to the format type listed above. Images must also conform to the specifications above for minimum image resolution.
- All color ads should be supplied as composite files.
- Reverse type should be no less than 6pt. Fine lettering (thin lines, serifs) should be restricted to one color.
- Embedded images should not be scaled, cropped/masked or rotated within the page layout application but instead should be manipulated in a proper image editing program (ex. Photoshop) and then imported into the page layout program at proper size and position.
- DO NOT nest EPS files within EPS files.
- All lines and line art images should be of a minimum 1/3 pt thickness (1/2 pt for reverses) at final size to reproduce effectively on press.
- Crop marks and SWOP color bars must be included and positioned 1/2" outside trim.

Color Space

All color images and files are to be supplied as CMYK with a Total Area Coverage (TAC) not to exceed 300% for the darkest area of an image. Files supplied as RGB will be automatically converted to CMYK.

Spot Colors

Spot colors are to be identified using the standard Pantone naming convention and not a custom color such as "Dark Blue." PMS colors will be converted to process unless otherwise specified. When using both art and layout programs be sure spot color naming is consistent in all applications (ex. Do not define both PMS 201CV and PMS 201CVC). Any non-intended spot colors will be converted to CMYK.

Trapping and Screening

Overprints and knockouts should be defined. Files are NOT to be trapped or prescreened. Our Prepress service provider will use industry recognized trapping software to auto-trap your files for optimum performance and reproduction on press and will apply the appropriate screening. Note that these trap settings may force small text and fine graphics to overprint to hold registration on press.

Proofs

If submitting a proof for color match on press, please send a SWOP-certified contract color proof (with SWOP proofing bar or GATF proof comparator), produced from the final submitted file and imaged at 100% scale. Revised proofs must be supplied whenever a text or design change is made. For a list of current SWOP-approved proofs visit https://idealliance.org/systems-certification/certified-hard-copy-proofing-systems/. Desktop inkjet printer proofs do not meet SWOP specifications. Elsevier cannot guarantee color match unless acceptable proof is provided. If a contract proof is not supplied Elsevier will run to standard ink densities and dot gains.

2. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ["the Client"] relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the TC"). They supersede all previous terms and conditions. For the purposes of the TC, Elsevier shall mean the company within the Elsevier group that is providing the Products or Services as set out on the invoice and is providing those Products or Services to the Client for the purposes of this TC and any and all references to Elsevier shall be construed accordingly.

3. Payment

Payment is due at the time of placing the order for a purchase of Products or Services to the Client. Full payment for all Products and Services shall be made in accordance with the Terms of Use in effect at the time of ordering. Payment shall be made by credit card, wire transfer, cheque, bank draft or any other acceptable means as agreed with Elsevier in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier's liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional license terms.

4. Offer and acceptance/ Description

Each order for the Products from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgment of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All Products are subject to acceptance to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier, Elsevier reserves the right to substitute Purchasing Products that do not match Elsevier's own account and use and are not obtainable of any other person or entity. If an order is accepted, Elsevier reserves the right to allocate and supply to the Client the Products or Services in accordance with the availability of such Products or Services. All numbers in the TC will be larger than the size of the Product or Service and, for clarity, where the size of the Product or Service is not clearly denominated, the size shall be in the following order: 100 = 100 mm × 150 mm; 200 = 200 mm × 250 mm; 300 = 300 mm × 400 mm; etc.

5. Force majeure

INTENT OR THE NEGLIGENCE OF ITS EMPLOYEES OR OTHERS FOR WHOM THE PARTY IS LEGALLY RESPONSIBLE. NOTHING IN THE TC SHALL BE CONSTRUED AS CREATING AN OBLIGATION TO INDEMNIFY THE OTHER PARTY AGAINST THE OTHER PARTY'S OWN

6. Distribution

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full control and solely keeping all of its own losses from any uncollected amounts. Delays or failures in obtaining such payment will not affect the Client's obligation to make payments to Elsevier under clause 5.

7. Intellectual property

Client represents and warrants that (i) Client holds the necessary rights to use, reproduce, distribute, or transmit the Advertising Content. Client further represents and warrants that (ii) Client is an entity that is or will be responsible for the content of the Advertising Content and is therefore the party with authority to help the Client, Elsevier, and/or any affiliate of Elsevier for personal gain or for that of Elsevier or its affiliates; (iii) Client will not use the Advertising Content for any purpose or in any manner that violates any law, or that misleads, deceives, or is otherwise objectionable to Elsevier.

8. Liability and claims TO THE MAXIMUM EXTENT PERMITTED BY LAWS

The Client acknowledges that Elsevier is not responsible for any unintended or unforeseen loss or damage resulting from the provision of Products and/or Services to the Client. The Client agrees that Elsevier shall have no liability for any direct or indirect damages, including but not limited to, loss of profits or expected future business, damage to reputation or goodwill, or any other economic loss sustained by the Client as a result of the provision of the Products and/or Services to the Client.

9. Force majeure

If by reason of labor dispute, strike, riot, labor strike, or the consistent implementation of any of the provisions of this TC and to avoid the effects of such event to the extent possible.

10. Advertising & Reprints

Client is solely responsible for ensuring proposed advertising copy is received at Elsevier in electronic form (or such other form as specified by Elsevier) and within the relevant deadline set by Elsevier (the "Closing Date"). Where copy is received late or not at all, Elsevier reserves the right to decline to use such copy. If the Client does not provide any copy by the relevant deadline, Elsevier shall have the right to fill open positions with content of its own choosing.

11. Audit

12. Compliance with law

Client shall at all times during the term strictly comply with applicable law, rules, orders, regulations, standards and judicial and administrative orders ("jointly "Applicable Law") or "Laws" relevant to its duties, obligations and performance under this TC. If the Client fails to comply with any such law, rule, order, regulation, standard, or administrative order, then Elsevier may terminate this TC by written notice to the Client. The Client acknowledges that Elsevier shall be entitled to cease performance of any work under this TC if it reasonably believes that the Client is in material breach of any such law, rule, order, regulation, standard, or administrative order.

13. Cancellation

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing. This fee will be calculated to cover any external or internal costs which have been incurred or committed to up to and including the date of cancellation.
