1. Applicability

These terms and conditions shall apply to offers, proposals, agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, unless otherwise agreed, shall apply to all Subsidiaries ("the Subsidiaries") of Elsevier included in the terms of this Agreement. In the event of any conflict between the terms of this Agreement and any other contract or agreement relating to the sale, supply and/or delivery of the Products and/or Services, the terms of this Agreement shall prevail. The Client shall be limited in its right to cancel the order for that advertisement, if the alterations requested are unacceptable, unless such changes are approved in writing by Elsevier. The Client shall be entitled to reject any order for reprints of material that has not been published.

2. Payment

If no dates are so specified, delivery/performance will be within a reasonable time. Any modifications to the agreed product or service description, budget or schedule, as set out in the relevant order, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reschedules additional Services in accordance with and subject to terms set out in this TC, Elsevier shall be entitled to refuse to supply any Client who has not paid its current invoice. Costs will be incurred or committed/contracted from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad.

3. Execution and modification of the order

Information Copyright and other additional intellectual property rights to all Elsevier proposals, publications, and other Products or Services will be licensed to the Client unless otherwise agreed in writing. The Client shall be solely responsible for obtaining any necessary licenses or other permissions required by law or otherwise. The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its Subsidiaries unless agreed in writing. The Client acknowledges that Elsevier shall not be liable for any loss incurred by the Client or any third party as a result of such activities.

4. Termination

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The Client agrees to submit to the exclusive jurisdiction of the courts of the country where business is being conducted in the event of any dispute arising from the TC, unless this Agreement contains a valid, binding and enforceable arbitration clause, in which case the arbitration shall take place in accordance with the rules of the ICC.

5. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other matter, specifications and advertising issued by Elsevier and any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued or posted or printed for any purpose of giving an appropriate description of the Products and Services described therein. They will be held to be part of this TC. Publishing errors, including, but not limited to, typographical errors, have no significant effect on the editorial content or design characteristics of the Products and Services, cannot be regarded as giving rise to ordering or, as the case may be, modifying the agreed price.

6. Notice

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its Subsidiaries, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its Subsidiaries. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of Products, ensuring full retainer and solely bearing of all losses resulting from any uncollected amounts. Delay or failure in collecting such payments will not relieve the Client's obligation to make payments to Elsevier under clauses

7. Intellectual property

If the formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the exclusive jurisdiction of the courts of the country where business is being conducted in the event of any dispute arising from the TC, unless this Agreement contains a valid, binding and enforceable arbitration clause, in which case the arbitration shall take place in accordance with the rules of the ICC.

8. Limitation and liability

The Client shall pay within 30 calendar days of the date in the currency specified. Time for payment of the Client shall be of the essence. The Client may not and cannot limit any Client account and shall be entitled to refuse to supply any Client who has not paid its current invoice. Costs will be incurred or committed/contracted from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad.
