1. Applicability

These terms and conditions shall apply to all offers, proposals, and agreements made by and between the Elsevier and its subsidiary, and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TCs". They supersede any previous supply terms and conditions, as well as any previous orders and agreements between the parties for such products and services. Notwithstanding any express or implied representation, the Client acknowledges that such representations shall not be considered in any way a warranty or guarantee of the quality, performance, or accuracy of any advertisement supplied by the Client. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [insert name]. No new external customer is accepted by any party under any circumstances, and all prior obligations and agreements are hereby cancelled. Where the Client is indebted to Elsevier for any other amount, Elsevier shall be entitled to retain payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier. The Client will indemnify Elsevier against all loss, damages, claims, or causes of action, including reasonable legal fees and expenses incurred by Elsevier in connection with any such claim.

4. Prices, taxes and currencies

All prices quoted are net of any value added tax (VAT) or other applicable taxes. If no dates are so specified, delivery/performance will be within a reasonable time. If, under the law of any territory in which Elsevier is selling the Products, the Client is required to notify any tax or fee payable to Elsevier under the TC, the amount of the payment will be automatically increased to fully, which tax, cost, or fee the amount actually remitted to Elsevier, net of all taxes, will be the amount remitted to Elsevier under the TC.

5. Liability and claims

A breach of any representation and warranty, or any act or omission, or in connection with any matter or business transacted by or on behalf of Elsevier, shall result in the Client's demise of Elsevier. The Client is responsible for paying all amounts due to Elsevier in full by the due date. All orders placed by the Client shall be deemed accepted by Elsevier until a written acknowledgement is received. If the Client defaults on any payment, Elsevier shall be entitled to charge interest at the rate of 1% per month on the outstanding balance. If Elsevier fails to deliver the Products or Services to the Client in accordance with the TC, Elsevier shall be liable for all reasonable legal fees and expenses incurred by the Client in connection with any such claim.
