British Journal of Oral & Maxillofacial Surgery

Overview

This bi-monthly, easily readable, high-quality journal has one of the largest circulations of any oral and maxillofacial surgery journal. It receives articles from around the world and has an international Editorial Board. Articles are peer reviewed by at least two referees and when accepted are reviewed by the journal’s Technical Editor to ensure a consistently high standard. Each issue publishes articles on current techniques and surgical innovations covering the full spectrum of surgery in the oro-facial and head and neck region. This journal is an excellent resource for oral and maxillofacial, plastic, E.N.T. and ophthalmic surgeons.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions apply to all propositions, offers, proposals made by Elsevier to and any party thereto ('the Client') relating to the products and/or services of Elsevier ('the Products and/or Services') and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous understandings or agreements between the Client and Elsevier.

2. Execution and modification of the order

Each order for the Products and Services by the Client to Elsevier shall be deemed to be an offer by the Client to Elsevier to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier to the Client ("Order Confirmation"). The Client acknowledges that the TC is subject to variation, cancellation or modification at the exclusive discretion of Elsevier.

3. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, act of God, acts of violence, acts of war, appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is unable to perform.

4. Liability and claims

Subject to the provisions of this TC and to avoid the effects of such event to the extent possible.

5. Payment

Unless otherwise agreed by Elsevier in writing, the price/rates for the Products and Services shall be those set out in the Rate Card. Unless otherwise agreed in writing, payment shall be made by the Client within thirty (30) days of the invoice date.

6. Distribution

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and generally prevailing custom and practice of the laws of the corporate domicile of the Elsevier company which is providing the Products or Services. The Client agrees to submit to the exclusive jurisdiction of the courts of that same corporate domicile.

7. Audit

Audit shall allow Elsevier's authorised representative at any reasonable time to have access to the premises of the Client (or to arrange for Publisher's authorised representatives to have access to other relevant premises) for the purpose of inspecting Client's facilities, books and records to verify Client's compliance with the TC.

8. Compliance with laws

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services set out in the Rate Card. In the event of any conflict between the TC and the Rate Card, the provisions of the TC shall prevail. Any variations to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will be void or Elsevier's Liability for Fundamental Breach.

9. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, act of God, acts of violence, acts of war, appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is unable to perform.

10. Advertising & Reprints

Any order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier to the Client ("Order Confirmation"). The Client acknowledges that the TC is subject to variation, cancellation or modification at the exclusive discretion of Elsevier.

11. Cancellations & Returns

Subject to the provisions of this TC and to avoid the effects of such event to the extent possible.
