2. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the “TC”). If you do not include any previously supplied terms and conditions (the “Previous Terms”) with the TC and an advertisement agreement then the TC and advertisements for that campaign will be subject to the Previous Terms subject to the Previous Terms being in agreement with the terms and conditions of this TC. Elsevier reserves the right to reject any advertisement which does not meet the requirements of this TC. The Client shall be deemed to have accepted and will be bound by these terms and conditions unless it has notified Elsevier, in writing, of its objection to any of the terms and conditions of this TC before 5:00am on the day after the closing date. Failure or delay by Elsevier in exercising any right under any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC.

3. Prices, taxes and currencies Unless otherwise agreed by Elsevier in writing, prices shall be quoted in the currency of the TC and the Client shall pay all sums due to Elsevier in that currency. Prices will be exclusive of all indirect taxes levied on the supply of goods and services, value added tax, sales tax or any other tax which is levied whether or not referred to as a sales or other tax on the supply of the Products or Services or on the price quoted. If any such tax or charge becomes payable in the future, Elsevier reserves the right to make an additional charge to cover the amount of such tax or charge. If tax is payable under the TC, the Client will be invoiced in full for such taxes before delivery of the Products or Services. The amount actually remitted to Elsevier for the Products or Services shall be the actual amount invoiced less any refund of payment of taxes to those appropriate tax authorities. All financial transactions must be settled in the currency of the applicable Elsevier invoice. The Client will be solely responsible for its own cost for completing any foreign exchange-related procedures in the said currency that are necessary to settle the TC.

5. Payment Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency stated on the invoice. Time for payment shall be of the essence. Legal and beneficial title in any tangible Products supplied by Elsevier to the Client remains with Elsevier until Elsevier has received in full (cash or cleared funds) all sums due to it in respect of the Products and all other sums that are or which become due to Elsevier from the Client on account. The Client may request that the Product be cancelled provided to the Client upon request. Reprints cannot be returned once these have been printed.
