The Surgeon

Overview

Since its establishment in 2003, The Surgeon has established itself as one of the leading multidisciplinary surgical titles, both in print and online. The Surgeon is published for the worldwide surgical and dental communities. The goal of the Journal is to achieve wider national and international recognition, through a commitment to excellence in original research. In addition, both Colleges see the Journal as an important educational service, and consequently there is a particular focus on post-graduate development. Much of our educational role will continue to be achieved through publishing expanded review articles by leaders in their field.

2. Offer and acceptance/ Description

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ([the “Client”] relating to the products and/or services of Elsevier (“the Products and/or Services”)) and, along with the relevant Elsevier order form and Rate Card referred to in the TC, any supplements, attachments or appendices to the TC. The parties agree to submit to the competent administrative body of the jurisdiction where the Client is located to determine any disputes that may arise relating to this agreement. The competent administrative body of the jurisdiction shall be the most senior court or other body having jurisdiction in the Client’s territory. The Client acknowledges that it is free to negotiate the terms and conditions of the TC and the price of the Products and/or Services with Elsevier. The parties agree that the TC and any supplements, attachments or appendices thereto are entered into in the course of a transaction between arm’s length parties, and that in the absence of fraud or other grounds for invalidity, the provisions of the TC will be applied in accordance with their terms and conditions.

3. Prices and terms of sale

Unless otherwise expressly agreed by Elsevier in writing, Elsevier reserves the right to change its prices at any time. Elsevier reserves the right to impose any taxes, import duties or other duties on the products and/or services delivered to the Client for any reasons. The Client commits to pay the agreed price, in addition to any taxes, import duties or other duties imposed on the products and/or services delivered to the Client, in full, in accordance with the terms of the TC.

4. Liability and claims

Any claim arising out of or in connection with this agreement shall be governed by the laws of the State of New York. Any claim arising out of or in connection with this agreement shall be settled by arbitration in accordance with the rules of the International Centre for Settlement of Investment Disputes (the “ICSID”). Any award rendered by an arbitrator under the ICSID rules shall be final and binding on the parties.

5. Intellectual property

Any intellectual property rights to all Elsevier proposals, publications and other Products and/or Services shall remain with Elsevier unless agreed otherwise in writing. The rights granted by Elsevier are restricted to use solely by the Client and may not be assigned, transferred or sublicensed without the prior written consent of Elsevier. Any such assignment, transfer or sublicense will be null and void. The Client shall not acquire any interest in any intellectual property rights in the Products and/or Services. The Client acknowledges that Elsevier is the owner of all intellectual property rights in the Products and/or Services and that Elsevier will retain full rights in and to the Products and/or Services.

6. Force majeure

If any provision of this agreement is or becomes unlawful, invalid, void, voidable, unenforceable or otherwise incapable of being enforced, the provision or provisions that are invalid, void, voidable, unenforceable or otherwise incapable of being enforced will remain in full force and effect and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or partially enforcing any provision (or prosecuting any breach of the TC) will not be construed as a waiver of any of its rights under the TC.

7. Time is of the essence

No new external costs will be incurred or committed/contracted from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad schedule of insertions, issues and sizes of space for a specific advertiser. Two or more advertisers are not permitted to share the same insert in the same issue of a publication. The Client acknowledges that it is free to negotiate the terms and conditions of the TC and the price of the Products and/or Services with Elsevier. The parties agree that the TC and any supplements, attachments or appendices thereto are entered into in the course of a transaction between arm’s length parties, and that in the absence of fraud or other grounds for invalidity, the provisions of the TC will be applied in accordance with their terms and conditions.
