Pediatric Neurology

Overview

Pediatric Neurology presents timely, peer-reviewed clinical and research articles covering all aspects of the developing nervous system. The journal features the latest advances in the diagnosis, management, and treatment of pediatric neurologic disorders. Topics include: epilepsy, mitochondrial diseases, congenital malformations, chromosomopathies, peripheral neuropathies, perinatal and childhood stroke, cerebral palsy, as well as other pediatric neurological disorders. Original and review articles, case reports, brief communications and book reviews are published regularly.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to all proposals, offers and agreements made by Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous oral or written agreements between the parties.

5. Payment
Unless otherwise agreed in writing, any sums owing shall be paid in full to Elsevier within thirty (30) days of the invoice date. Should payment be made by draft, the period for settlement shall commence from the date of presentation of the draft. Should payment be made by credit card, the period for settlement shall commence from the date of presentation to Elsevier of the relevant credit card. If payment is not made in accordance with the TC, Elsevier may invoice the Client for interest at a rate of 1% per month on the outstanding amount for any period outstanding, together with any costs incurred in recovering such sums.

8. Liability and Claims
The Client shall not be entitled to seek damages for breach of this representation and warranty. Elsevier shall not be liable for any loss of profits, anticipated savings, reputation, goodwill, or for any other indirect or consequential loss.

12. Compliance with laws
The Client shall comply with all applicable laws and regulations relating to the products and services provided under the TC, including but not limited to any laws relating to data protection, privacy, and security.

11. Audit
The Client shall cooperate with Elsevier and should such cooperation be reasonable, the Client shall provide Elsevier with such assistance in relation to such audit as Elsevier may request.

6. Distribution
The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, sell or directly or indirectly facilitate or allow others to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Product by any third party. The Client commits to report all instances of piracy, reproduction, or plagiarism of Elsevier’s products to Elsevier immediately.

7. Termination
Termination shall take effect by written notice. The Client hereby agrees that upon the Client’s failure to comply with any term of the TC, Elsevier may cease the delivery or performance hereunder, and may immediately terminate this TC by giving the Client written notice of termination.

9. General and modifiability of the order
If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the cancellation date.

10. Advertising & Reprints
The Client shall not engage in any advertising, promotion, demonstration or exploitation of Products or Services or the performance or a contract provided that such payments are permissible under the applicable law.

13. Complaince with laws
The Client agrees not to engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, sell or directly or indirectly facilitate or allow others to engage in those activities.

2. Offer and acceptance/Description
These terms and conditions shall be deemed to be an offer by Elsevier to the Client which is subject to the Client’s acceptance in accordance with the TC.
