Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the TC").

2. Price, taxes and currency
Unless otherwise agreed by Elsevier in writing, the Client shall be solely responsible for all fees, value added taxes (VAT) and other taxes or duties incurred in connection with the purchase of the Products and/or Services.

3. Payment
(a) If the Client accepts and pays the invoice in full, Elsevier will deliver the Products to the Client at Elsevier's risk and cost. The Client shall pay the invoice in full, less any applicable deposit, within the period specified on the invoice. If the Client has not paid the invoice in full by the date specified on the invoice, Elsevier may charge interest on the overdue amount at the rate of 1% per month or any other rate agreed in writing. The Client shall pay all costs and expenses (including reasonable legal fees and expenses) incurred by Elsevier in connection with the enforcement or collection of the invoice.

4. Cancellations & Returns
The Client shall not be entitled to cancel or return any Products unless agreed in writing by Elsevier. If the Client cancels any part of an order, Elsevier may cancel the full order and recover all costs incurred. Any cancellation shall be subject to a cancellation fee as agreed in writing by the parties. If the Client cancels the TC, the Client shall pay Elsevier a cancellation fee equal to 25% of the total invoice value. The Client shall pay for all Products, services and other charges incurred up to the date of cancellation.

5. Audit
If the Client requests, Elsevier may conduct an audit of the Client's operations to verify the compliance with the terms of the TC. Elsevier reserves the right to audit the Client's operations at any time during the term of the TC, at the Client's expense, and to require the Client to provide all relevant documentation and information to support the audit. The Client shall pay for all costs and expenses (including reasonable legal fees and expenses) incurred by Elsevier in connection with the audit.

6. Intellectual property
The Client acknowledges that all intellectual property rights in any Products or Services shall belong to Elsevier. The Client shall not use or disclose any Products or Services for any purpose other than as set out in the TC and shall take all reasonable steps to prevent the use or disclosure of any Products or Services in violation of the provisions of the TC.

7. Liability and claims
Elsevier shall not be liable for any loss or damage resulting from any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind whether in contract, tort (including negligence) or otherwise. Elsevier shall not be liable for any indirect or consequential loss or damage, including loss of profits, loss of revenue, loss of business, loss of goodwill, loss of custom, loss of anticipated savings or any other loss or damage whether arising directly or indirectly from any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind whether in contract, tort (including negligence) or otherwise.

8. Governing law and jurisdiction
The TC shall be governed by the laws of the jurisdiction in which Elsevier is incorporated and the Client is located, and the Client hereby irrevocably submits to the exclusive jurisdiction of the courts of such jurisdiction in connection with any dispute arising out of or relating to the TC or the Products or Services. The Client agrees to waive any conflict of laws issues with respect to the application of the laws of such jurisdiction.

Unless otherwise agreed in writing by the parties, the Client shall provide to Elsevier Client's VAT registration number or other evidence of tax exemption to Elsevier at the time of placing the order. If the Client fails to do so, Elsevier reserves the right to charge VAT or other taxes to the Client.

Unless otherwise agreed in writing by the parties, the Client shall be responsible for all freight, insurance and delivery charges on receipt of the Products at the agreed delivery address. Elsevier reserves the right to add duties or taxes if required by law.

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act as the name of, or to the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery/performance of the Services and Supplies are intended to be an estimate and time for delivery/performance shall not be made of the essence of the order.

In no event does the Client's performance or the performance of any third party for the Client impair Elsevier's ability to comply with these terms and conditions. Elsevier does not warrant that the Products, Services or Processes will meet the Client's requirements or that the operation of the Products, Services or Processes will be uninterrupted or error-free.

If Elsevier is unable to perform any part of the TC due to reasons beyond its control, including but not limited to acts or omissions of any government, civil or military authority, failure to obtain any necessary permits, licenses or agreements, or any act of God, war, terrorism, fire, flood, strikes, labor difficulties, accidents, or any other cause whether foreseeable or unforeseeable, the time for performance of such parts of the TC shall be extended for a period equal to the time reasonably required to perform such parts of the TC, and the provisions relating to the remainder of the TC and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or partially enforcing any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC.

If any part of this TC is held to be invalid or unenforceable, the remaining provisions of this TC and the remainder of such provision shall continue in full force and effect. This TC may be enforced by any party to this TC or its legal representatives, successors or assigns.
