1. **Applicability**

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier offer or advertisement, shall form the entire agreement between the parties (the “Agreement”). The Agreement supersedes any previous supply terms and conditions. For the purposes of the TC, “Elsevier” shall mean the company within the Elsevier group that is providing the Products or Services set out on the Order Sheet, or as agreed in writing by the parties. The Agreement constitutes a binding offer on behalf of Elsevier and the acceptance of orders in accordance with the terms set out below is accepted by Elsevier. Orders for the Products and/or Services must be placed by the Client in writing, in accordance with the terms set out in the Agreement. The Agreement may only be amended by a duly authorized representative of Elsevier and otherwise shall be binding between the parties as set out below in writing.

2. **Offer and acceptance**

Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgment of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. For all Client orders, Elsevier shall be considered to have accepted an order only if Elsevier has issued a purchase order confirmation. The person or persons signing this Agreement on behalf of Elsevier are authorized to do so by Elsevier and are acting on behalf of Elsevier. The Agreement constitutes a binding offer on behalf of Elsevier and the acceptance of orders in accordance with the terms set out below is accepted by Elsevier. Orders for the Products and/or Services must be placed by the Client in writing, in accordance with the terms set out in the Agreement. The Agreement may only be amended by a duly authorized representative of Elsevier and otherwise shall be binding between the parties as set out below in writing.

3. **Prices, taxes and currencies**

(1) Elsevier shall calculate the price for the actual volume at the end of the applicable year at a reduced discount and the Client shall pay that reduced discount. Orders in excess of the quoted volume, Elsevier shall return to the Client any amount overpaid by the Client. Orders placed by the Client shall be made at the price charged by Elsevier and expressed in the currency as specified in the Order Sheet. The Client shall not be entitled to any reduction in price unless agreed in writing by Elsevier. The price stated on the Order Sheet is exclusive of all taxes, unless otherwise agreed in writing by Elsevier. All amounts invoiced shall be paid to Elsevier in United States Dollars (USD) unless otherwise agreed in writing by Elsevier. All financial transactions must be settled in the currency of the applicable Elsevier invoice. The Client shall be solely responsible for any costs related to completing any foreign exchange-related procedures in the said territory that are necessary to settle the transaction. The Client shall pay all amounts due in full and in accordance with the terms set out therein.

4. **Liability and claims**

(1) Except as expressly agreed in writing by Elsevier, Elsevier shall not be liable for any indirect, special, incidental or consequential damages, lost profits, revenue, goodwill or any other loss incurred by any Client, despite the fact that Elsevier may have been advised of the possibility of such damages. No liability or responsibility for damages shall attach unless and until such damages have been fully incurred. Neither party shall be liable for any loss that was not foreseeable by the party in the circumstances at the time when the party entered into this Agreement. Neither party shall be liable for any loss that was or could have been avoided if the party in question had acted, with reasonable diligence, to mitigate such loss.

5. **Distribution**

(1) The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products or Services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising control and securely keeping all of its own records of any such amounts that are not paid to Elsevier in full. If the Client fails to make all payments due under the Agreement, Elsevier shall have the right, without prejudice to its other rights and remedies, to take any action to recover all amounts due from the Client, including (without limitation) any action at law, arbitration or other proceeding, and to charge interest on the amount of any such amounts due from the Client at the cost of money rate plus 10% per annum, and to recover enforcement fees, legal fees and other costs in relation to the enforcement and collection of any amount due from the Client.

6. **Compliance with laws**

(1) The Client agrees to comply with all applicable laws, including the RELX Suppliers Code of Conduct at Suppliers Code of Conduct and Applicable Laws, as well as all other laws enforced by Elsevier, including without limitation those relating to the Intellectual Property rights of Elsevier and its licensees, and all applicable laws relating to the publication or distribution of the Products and/or Services. Until such time as a Client has provided Elsevier with evidence of its compliance with the relevant laws, Elsevier shall have the right to refuse to supply any Products or Services to the Client or to terminate the agreement between the Client and Elsevier. The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and governmental restrictions or statutes pertaining to its duties, obligations and performance under this Agreement, including all laws relating to tariffs, quotas, trade restrictions, labeling, advertising, and the like. The Client shall indemnify Elsevier and hold Elsevier harmless from any and all costs, expenses, damages, or losses resulting from any violation of any of the Client’s duties, obligations and performance under this Agreement.

7. **Advertising & Reprints**

(1) The Client may display the space closing date, but in the event that any such display date changes or is otherwise canceled, the Client shall be entitled to charge the full cost of the advertisement. The Client shall be responsible for paying all costs, expenses, and losses incurred in connection with the Client’s display of the deadline date. The Client shall not be entitled to any reduction in the cost of the advertisement unless agreed in writing by Elsevier. The Client shall be entitled to charge the full cost of the advertisement. Any returns of the products shall be subject to the relevant Elsevier company’s return policy applicable to the products at the time of the return. Details of such policies shall be provided to the Client in writing. In the event that the returns result in no amount invoiced or otherwise due, the Client shall be entitled to charge the full cost of the advertisement. The Client shall not be entitled to charge the full cost of the advertisement. Any returns of the products shall be subject to the relevant Elsevier company’s return policy applicable to the products at the time of the return. Details of such policies shall be provided to the Client in writing.
