Arthroscopy, Sports Medicine, and Rehabilitation

Overview

Arthroscopy, Sports Medicine, and Rehabilitation (ASMAR) is an open access journal that aims to peer review and publish clinical and basic science articles of interest to health care providers and scientific researchers. Brought to you by the same editorial team as Arthroscopy and Arthroscopy Techniques, ASMAR broad in scope and covers topics ranging from arthroscopic and related to surgery to orthopaedic and primary care sports medicine, physical therapy and rehabilitation, athletic training, musculoskeletal imaging, economic and large database analyses and public health.

WHERE IT IS ACTING AS A CONSUMER. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods, 1980 (the "UNCITRAL" Convention) shall apply to the contract for products or services sold to the Client that contain third party product or software such a sale may be subject to additional license terms.

The parties agree that the United Nations Convention on Contracts for the International Sale of Goods, 1980 (the "UNCITRAL" Convention) shall apply to the contract for products or services sold to the Client that contain third party product or software such a sale may be subject to additional license terms.

The Client has entered into this TC in the knowledge that the liability of Elsevier is to be limited in accordance with these terms and conditions and the charges have been agreed accordingly. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

If by reason of labor dispute, strikes, rotas, inability to obtain labor or materials, fire or any other act of the elements, accidents, wiper or communications failure, customs delays, governmental restrictions or interruption or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of such inability to perform, and such inability to perform shall not make such party liable to any other party. The party subject to an event of force majeure shall promptly notify the official with the applicable date in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional license terms.

The Client has entered into this TC in the knowledge that the liability of Elsevier is to be limited in accordance with these terms and conditions and the charges have been agreed accordingly. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.
