The Lancet Psychiatry

Overview

The Lancet Psychiatry launched in print and online in June 2014, following in the footsteps of other Lancet specialty journals such as The Lancet Oncology and The Lancet Neurology. The journal offers the same fast track experience offered by its sister journals for all authors of research papers that are selected for peer review, where articles can be published online within 8 weeks of submission.

The journal publishes a range of article types in psychiatry, including Original Research, Reviews, Personal Views, Comments, and News articles. Topics include psychopharmacology, psychotherapy and psychosocial approaches to all psychiatric disorders, across the life course. The journal covers innovative treatments and the biological research underpinning such developments, novel methods of service delivery, and new ways of thinking about mental illness promoted by social psychiatry. The journal will also advocate strongly for the rights of people with mental health disorders, and welcome the voices of service users.

2. Offer and modification of order
Any modifications to the agreed product or service description, budget, or schedule, as set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier delivers additional services in connection with the performance of the TC, Elsevier shall act in the name of, and to the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery of the Products or Services are intended to be an estimate and time for delivery/performance shall not be made of the essence by notice. If no date is so specified, performance/time shall be within a reasonable period.

3. Price, taxes and currencies
Unless otherwise agreed by Elsevier in writing in the present or future agreements for the Products and Services, Elsevier shall be free to set in Elsevier’s current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, insurance, and transport charges. Applicable taxes, duties or fees, if any, applicable at the time of delivery shall be charged and paid by the Client to Elsevier. Where applicable, value added tax, sales tax, or other taxes under the laws of the country of delivery shall be charged, paid by the Client, and included in the price quoted or invoiced by Elsevier. If there is a change in the tax rates applicable to the Products and Services, Elsevier may adjust the price quoted or invoiced by Elsevier.

4. Prices, taxes and currencies
The Client shall allow Publisher’s authorized representative at any reasonable time to have access to Client’s premises (or to other premises, as the case may be) for the purpose of inspecting Client’s facilities, books and records to verify Client’s compliance with the TC. Publisher shall have the right to verify said records by asking said representative to witness and verify Client’s compliance with the TC. The Client shall be responsible for all reasonable costs incurred by said representative in the performance of the inspection task.

5. Payment
Unless otherwise agreed in writing, payments shall be effected within thirty (30) days from the invoice date for payment of services. For Products, payment is due at the time of delivery. Payment of all sums due to Elsevier shall be made in accordance with the currency and terms acceptable to Elsevier. If any payment is paid in a foreign currency, the amount shall be converted to the currency of the invoice at the exchange rate prevailing on the date of payment.

6. Distribution
The Client shall not engage in piracy, reproduction, or plagirism of the Products or any other products or properties of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers the amounts due in respect of its sales of the Products, exercising full credit control and solely bearing all of its own losses resulting from any uncollected amounts. Delay in withdrawing payments will not affect Elsevier’s claim to make payments to the Client under the TC.

7. Intellectual property
Copyright and other intellectual property rights to all Elsevier proposals, publications, and other Products or Services shall remain with Elsevier unless agreed otherwise in writing. The rights granted by Elsevier are restricted to use solely by the Client and may not be assigned, transferred or sublicensed without the prior written permission of Elsevier. Any use other than the purpose expressly agreed upon by Elsevier shall be the sole responsibility of the Client.

8. Liability and claims
TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ELSEVIER SHALL NOT BE LIABLE TO THE CLIENT FOR ANY OF THE FOLLOWING LOSSES WHICH MAY ARISE BY REASON OF ANY BREACH OF THIS TC OR ANY IMPLIED WARRANTY, CONDITION OR OTHER TERM, ANY REPRESENTATION OR ANY DUTY OF ANY KIND INCLUDING (BUT NOT LIMITED TO) ALL LOSSES AND DAMAGES (DIRECT, INDIRECT AND CONSEQUENTIAL), LOSS OF DATA OR INCOME, INJURY, OR LOSS OF ANY KIND INCURRED ON OR CAUSED BY ELSEVIER OR ITS SUBSIDIARIES OR AFFILIATES.

9. Force majeure
If a party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of its obligations to perform, and such inability to perform shall not make such party liable to any other party. The party subject to an event of force majeure shall give prompt notice of such inability to perform to the other party. The party subject to an event of force majeure shall use its best efforts to resume performance as soon as such inability ceases.

10. Audit
If Elsevier is required by law or by a government or public body to disclose any Confidential Information, Elsevier may do so only after prior written notification to the Client. Elsevier shall use reasonable efforts to limit the scope of such disclosure and to keep any information concerning the nature of the disclosure confidential.

11. Audit
If an audit is referred to in any of the above provisions and the said party or its agents is unable to verify the said party’s compliance with the TC, the said party is liable for the cost of such audit and all expenses incurred by the said party in connection therewith. The said party is to be notified of the result of such audit in writing promptly and no request from the said party shall be made for any reconsideration of such audit.

12. Personal information
Any personal information that is collected or used by Elsevier in connection with the performance of this TC will be used in accordance with Elsevier’s data privacy policies and any applicable laws, regulations or other codes of conduct.

13. Compliance with law

No amendment to this agreement shall be effective unless expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraud or fraudulent misrepresentation.
