Overview

The International Journal of Obstetric Anaesthesia is the only journal publishing original articles devoted exclusively to obstetric anesthesia and bringing together all three of its principal components; anesthesia care for operative delivery and the perioperative period, pain relief in labour and care of the critically ill obstetric patient. • Original research (both clinical and laboratory), short reports and case reports will be considered. • The journal also publishes invited review articles and debates on topical and controversial subjects in the area of obstetric anesthesia. • Articles on related topics such as perinatal physiology and pharmacology and all subjects of importance to obstetric anaesthetists/anesthesiologists are also welcome.

2. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (“the Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the “TC”). They supersede any previously supplied terms and conditions. For the purposes of the TC, Elsevier shall mean the company within the Elsevier group that is providing the Products or Services as set out on the order acknowledgement or invoice. The terms and conditions of sale, unless otherwise stated in writing, shall be subject to and governed by the law of the jurisdiction in which the corporate domicile of the Elsevier company providing the Products or Services is located.

3. Execution and modification of the order Any modifications to the agreed product or service description, budget, schedule or set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act in the name of, and for the account of, and on behalf of the Client, and as authorized by the Client, Elsevier will charge the Client for the Products and/or Services rendered in connection with the performance of the TC and any suchcharges will be subject to and governed by the law of the jurisdiction in which the corporate domicile of the Elsevier company providing the Products or Services is located.

4. Offer and acceptance/ Description Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgment of order is issued by Elsevier or (if earlier) Elsevier delivers the Products to the Client or invoices the Client to commence performance of the Services for the Client. All payments are subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for personal use.

5. Administration and modification of the order Any modifications to the agreed product or service description, budget, schedule or set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act in the name of, and for the account of, and on behalf of the Client, and as authorized by the Client, Elsevier will charge the Client for the Products and/or Services rendered in connection with the performance of the TC and any suchcharges will be subject to and governed by the law of the jurisdiction in which the corporate domicile of the Elsevier company providing the Products or Services is located.

6. Distribution The Client shall not engage in piracy, reproduction, or placement of the Products or any other products or services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or placement of the Products or Services by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full control and solely bearing all of its losses from any uncollected amounts. Delay or failure in obtaining such amounts will not affect Elsevier’s obligation to make payments to Elsevier under clause 4.

7. Intellectual property Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products and Services or Services shall remain with Elsevier unless agreed otherwise in writing. The rights granted by Elsevier are restricted to use solely by the Client and may not be assigned, transferred or sublicensed without the prior written permission of Elsevier. The rights granted by Elsevier are non-exclusive and for the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights to the Products. No part of the Elsevier proposals, publications or Products may be stored in any automated data file and/or reproduced, whether electronically, mechanically, by Photostatting, recording or in any other manner or form, without the specific prior written permission of Elsevier.

8. Liability and claims TO THE MAXIMUM EXTENT PERMITTED BY LAW, COARTEC SHALL NOT BE LIABLE FOR ANY OF THE FOLLOWING LOSSES WHICH MAY ARISE BY REASON OF ANY BREACH OF THIS TC OR ANY IMPLIED WARRANTY, CONDITION OR OTHER TERM, ANY REPRESENTATION OR ANY DUTY OF ANY KIND IMPOSED ON ELSEVIER BY LAW (INCLUDING ANY LosS OR IMPACT OF PROFITS OR ALL LAWS OR LATEST FUTURE BUSINESS); (ii) DAMAGES TO REPUTATION OR GOODWILL; (ii) ANY DAMAGES, COSTS OR EXPENSES PAYABLE TO ELSEVIER BY ANY THIRD PARTY; (iii) LOSS OF ANY ORDER OR CONTRACT; (iv) LOSS OF ANY BUSINESS OR PART OF THE TC TO WHICH THE LIABILITY ARISES. TO THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS ELSEVIER EXCLUDES ANY LIABILITY FOR BREACH OF ANY IMPLIED OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NOTHING IN THIS CONTRACT SHALL LIMIT THE CLIENT’S EXISTING LEGAL OR STATUTORY RIGHTS WHERE IT IS ACTING AS A CONSUMER. THE PARTIES AGREE THAT THE UNITED NATIONS CONTRACTS ON THE INTERNATIONAL SALE OF GOODS shall not apply to this TC or the interpretation or enforcement thereof. The Client has entered into this TC in the knowledge that the liability of Elsevier is to be limited in accordance with the terms set out above, and the conditions and charges have been agreed accordingly. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

9. Force majeure If by reason of labor dispute, strikes, supply, or inability to obtain labor or materials, fire or other action of the Client’s acts or commercial risk, political or other actions of the Client, events, war or other commercial risk or any other cause beyond the control of a party, such party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of its obligations to the extent it is thereby unable to perform, and such inability to perform shall not make such party liable to any other party. The party subject to an event of force majeure shall notify such fact to the other party as soon as it becomes known to the party. The party subject to an event of force majeure shall make every reasonable effort to perform its obligations in a manner and for a price that are not inconsistent with the event of force majeure. The party subject to an event of force majeure shall use its best efforts to resume performance as soon as the event of force majeure has ended or has been overcome.
