SLAS Discovery

Overview

SLAS Discovery reports how scientists develop and use novel technologies and/or approaches to provide and characterize chemical and biological tools to understand and treat human disease. The journal focuses on drug discovery sciences with a strong record of scientific rigor and impact.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to offers, proposals, and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or Services (the "Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous terms and conditions. For the purposes of these terms and conditions, unless the context otherwise requires: (a) "Products and/or Services" shall mean the products and/or services specified in the Elsevier order acknowledgement; (b) "Elsevier" shall mean the corporate entity or legal entity identified in the Elsevier order acknowledgement that will be responsible for the performance of the TC and in whose corporate domicile the Products or Services will be supplied; (c) "Client" shall mean the person or entity that signs the order for the Products or Services as set out in the Elsevier order acknowledgement or invoice. For the purposes of the TC, "Products" and "Services" shall be construed as if they were separate entities.

2. Offer and acceptance: Descriptions
Each order for the Products and services by the Client from Elsevier shall be deemed to be an offer for the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or (ifquated) Elsevier delivers the Products or issues the invoice to the Client or confirmatory performance of the Services for the Client. All products are subject to availability of the ordered. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products and Services from Elsevier for its own account and is not and will not be acting as an agent or on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the Client’s account and sole use and not for and on behalf of any other person or entity. The Client acknowledges and warrants that it is purchasing Products and Services from Elsevier for the Client’s account and sole use and not for and on behalf of any other person or entity.

3. Execution and modification of the order
If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be in writing and are subject to the following conditions:

4. Prices, taxes and currencies
Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are incurred by the Client in the performance of the Services or the execution or performance of a contract provided that such payments are permissible under the Applicable law:

5. Audit
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

6. Distribution
If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be in writing and are subject to the following conditions:

7. Intellectual property
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

8. Liability and claims
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

9. Communication
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

10. Advertising & Reprints
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

11. Audit
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

12. Compliance with laws
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

13. Cancellations & Returns
If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be in writing and are subject to the following conditions:

14. General
The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the exclusive jurisdiction of the courts of that state or country.

15. Governing law:

The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

16. Consumer rights
If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be in writing and are subject to the following conditions:

17. Litigation & claims
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

18. Liability and claims
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any breach of this representation and warranty, Elsevier may terminate this TC at any time in the event of a fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional limitations.

19. General
The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the exclusive jurisdiction of the courts of that state or country.
