Overview

SLAS Discovery reports how scientists develop and use novel technologies and/or approaches to provide and characterize chemical and biological tools to understand and treat human disease. The journal focuses on drug discovery sciences with a strong record of scientific rigor and impact.

Affiliation
Society for Laboratory Automation and Screening (SLAS)

Audience
Life Sciences professionals to include scholars, scientists, researchers, innovators and entrepreneurs.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to all proposals, offers, and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties for the “TC”. They supersede any previous understandings or communications, written or oral, between the Client and Elsevier.

2. Offer and acceptance/ Description

No offers made by the Client shall be accepted by Elsevier unless and until a written order acknowledgment ("the Order") has been issued by Elsevier and accepted by the Client. The Client shall only be bound by the terms of the Order. Any variation to the Order shall be in writing and signed by an authorized signatory of Elsevier. Nothing in the Order will exclude or limit Elsevier’s liability for fraudulent misrepresentation.

3. Prices, taxes and currency

Unless otherwise agreed by Elsevier in writing, all prices stated in the Order or TC shall include value added tax (VAT) or other taxes as applicable. If any taxes imposed or levied on the Products or Services are subsequently increased or imposed after the Order is placed, Elsevier shall be entitled to charge the Client for any such increased or imposed tax, to the extent that the tax has not been previously accounted for by Elsevier.

4. Liability and claims

To the maximum extent permitted by relevant laws, Elsevier shall not be liable for any of the following losses which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law (by any law or statute, regulation or otherwise), whether by statute, statute, contract, negligence or otherwise, to the extent that they are not consistent with Elsevier’s standards. In addition, Elsevier shall have the right, at any time, to remove or replace any Products, Services or parts thereof, or any advertising content or any posted advertisement or posting thereof if it is determined in the sole discretion of Elsevier that such removal or replacement is necessary to comply with any applicable law, regulation or rule or to protect Elsevier’s interest.

5. Payment

The Client shall pay to Elsevier for each delivery of Products, Services and/or other items at the rates and prices specified in the related Order or TC. Whether payable in installments or in full if not otherwise stated in the Order or TC, payment will be due in the currency stated in the Order or TC by the Closing Date. If payment is due within 30 days of receipt of invoice, payment will be made by the Client within 30 days of receipt of invoice. If payment is due within 60 days of receipt of invoice, payment will be made by the Client within 60 days of receipt of invoice. If payment is due within 90 days of receipt of invoice, payment will be made by the Client within 90 days of receipt of invoice. If payment is due within 120 days of receipt of invoice, payment will be made by the Client within 120 days of receipt of invoice. If payment is due within 180 days of receipt of invoice, payment will be made by the Client within 180 days of receipt of invoice.

6. Distribution

Unless otherwise specified by Elsevier, the Client is responsible for all distribution of the Product or service description, budget or schedule, as set out in the Order or TC, whereby no alteration to such Product or service description, budget or schedule, as set out in the Order or TC, may be made unless agreed in writing by Elsevier. All cancellations or returns of the Products shall be subject to the relevant Elsevier’s return policy, which may be revised from time to time. Any refunds or credits will be provided to the Client upon request. Reprints cannot be returned once these have been printed.

7. Cancellations & Returns

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be notified in writing to Elsevier. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the space closing date, but in the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space closing date. If the Client wishes to dispute any invoice or part thereof, the Client shall, as soon as reasonably practicable, but no later than the due date of such invoice, send full details of such dispute to Elsevier. The Client shall allow Elsevier a reasonable period of time to investigate the dispute. No payments or credits will be made in respect of disputes unless and until Elsevier has determined the outcome of such dispute. Elsevier will not accept any offer of settlement or compromise from the Client and may, at its discretion, set off any amounts due to the Client against any amounts due from the Client to Elsevier.

8. Compliance with laws

The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any person or entity in exchange for or reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

13. Cancellations & Returns

The Client shall be responsible for ensuring that all material is delivered to Elsevier in such a manner as to be able to be published. The Client shall retain a complete copy of all materials delivered to Elsevier. The Client shall be entitled to reject any order for reprints of material that has not been published. The Client shall be entitled to request that any alterations be made to the reprint. If the Client requests that the reprint be made in a different format or with a different cover, Elsevier shall be entitled to charge the Client for any additional costs incurred.

14. Auditor’s report

The Client agrees that it is solely responsible for collecting from its customers amounts due from the sale of the Products. Elsevier reserves the right to cancel the order for that advertisement, if the alterations requested are unacceptable, unless such changes are not consistent with Elsevier’s standards. In addition, Elsevier shall have the right, at any time, to remove or replace any Products, Services or parts thereof, or any advertising content or any posted advertisement or posting thereof if it is determined in the sole discretion of Elsevier that such removal or replacement is necessary to comply with any applicable law, regulation or rule or to protect Elsevier’s interest.

15. Audit

Audit shall be limited to the extent permitted by relevant laws (i) Elsevier shall not be liable for any of the following losses which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law (by any law or statute, regulation or otherwise), whether by statute, statute, contract, negligence or otherwise, to the extent that they are not consistent with Elsevier’s standards. In addition, Elsevier shall have the right, at any time, to remove or replace any Products, Services or parts thereof, or any advertising content or any posted advertisement or posting thereof if it is determined in the sole discretion of Elsevier that such removal or replacement is necessary to comply with any applicable law, regulation or rule or to protect Elsevier’s interest.

16. Compliance with laws

The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any person or entity in exchange for or reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

17. Auditor’s report

The Client shall be responsible for ensuring that all material is delivered to Elsevier in such a manner as to be able to be published. The Client shall retain a complete copy of all materials delivered to Elsevier. The Client shall be entitled to reject any order for reprints of material that has not been published. The Client shall be entitled to request that any alterations be made to the reprint. If the Client requests that the reprint be made in a different format or with a different cover, Elsevier shall be entitled to charge the Client for any additional costs incurred.
