ELSEVIER TERMS AND CONDITIONS OF SUPPLY

a. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. For the purposes of the TC "Elsevier' shall mean the company within the Elsevier group that is providing the Products or Services as set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are proposed by the Client, these shall not apply and the TC will exclude or limit Elsevier's liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party product or software such as ale may be subject to additional license terms.

2. Offer and acceptance/ Description Each order for the Products and Services by the Client from Ebevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Ebevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All product orders are accepted subject to availability of the ordered Products. Unless otherwise expressly agreed by Ebevier in writing, Client represents and warrants that it is purchasing Products or Services from Ebevier for its own account and use and not to health off any other person or entity. If Client is a gene, it represents and warrants that it is purchasing the Products and Services from Ebevier for the account and use of no more than one identified institutional subscriber for representation and warrants will cause irreparable to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for valid personal use. Client acknowledges that violation of this representation and warranty will cause irreparable entitled to immediate injunctive relief requirismic Client to disclose all recipients of Ebevier For Moults and Services and severed by both parties in the relevant order, including such things as format, printing processes, technical design, size and kind of address file, weights and the like. All drawings, descriptive matter, specifications and advertising issued by Ebevier and any descriptions on illustrations contained in Ebevier's catalogues or brochurse are issued or published for the sole purpose of giving an approximate description of the Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, modifying the agreed price.

3. Execution and modification of the order Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act in the name of, to the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate and time for delivery/performance with a reasonable time.

In odates are so specified, delivery/performance will be within a reasonable time.

4. Prices, taxes and currencies: Unless otherwise agreed by Elsevier in writing the price/rates for the Products and Services shall be those set out in Elsevier's current price/rate list (whether print or online). All such prices/rates shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall also be exclusive of any taxes, import duties or other levies imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Client shall provide to Elsevier Client's VAT registration number or other evidence of tax exemption to Elsevier at the time of placing its order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the amount of the payment of those taxes, equals the amount of the payment will be automatically increased to fully offset such tax, so that the amount actually remitted to Elsevier, not foll taxes, equals the amount invoiced or otherwise due. The Client will promptly furnish Elsevier with the official receipt of payment of those taxes to the appropriate taxing authority. All financial transactions must be settled in the currency of the applicable Elsevier invoice. The Clie will be solely responsible at its own cost for completing any foreign exchange-related procedures in the said territory that are necessary to make payments to Elsevier under the TC, including without limitation all bank charges and foreign exchange charges.
