Journal of Lipid Research

Overview

As one of the most cited journals devoted to lipids, the Journal of Lipid Research (JLR) is a key resource to expand your reach to a broad reader base of researchers investigating the role of lipids in disease and their clinical and nutritional implications, mechanisms and genetics of lipid metabolism. JLR publishes a robust collection of primary research, methods papers and patient-oriented epidemiological research, appealing to primary and clinical research scientists worldwide who study aspects of:

- Alzheimer’s disease
- atherosclerosis
- cholesterol
- diabetes
- fertility and reproduction
- hormone biology and cell signaling
- inflammation
- metabolism
- nutrition
- obesity

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability (These terms and conditions shall apply to all proposals, offers and agreements made between the parties ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, accordingly, shall govern the entire agreement between the parties ("the TC"). They supersede any previous order acknowledgment.)

2. Execution and modification of the order Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products or Services as set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are professed by the Client, these shall not apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation.

3. Force majeure The Client will be entitled to cancel or suspend any order in the event of force majeure (whether partial or total) without liability to Elsevier provided Elsevier receives written notice of such force majeure at the earliest possible time. However, the Client will not be entitled to cancel or suspend any order in the event of war, insurrection, civil commotion, terrorism, act of God or other similar events. Elsevier will not be liable for any non-performance or delay in the purchase or delivery of Products or Services arising out of the operation of any such force majeure.

4. Advertising & Reprints Details of any product, offer, promotion, marketing, public relations, advertising or reprints campaign (including, without limitation, any graphic content, any software, any Website or any related media or materials) that the Client proposes to undertake that may use any of the Products or Services, or any copyright, patent, trademark, trade name, trade secret, music, image, or other proprietary or property right, including any advertisement, offer, promotion, distribution, or any descriptive, promotional or editorial materials, descriptive material or any Text shall be the subject of a written agreement with Elsevier and such agreement shall set forth the terms, conditions and restrictions applicable to the use of such advertisement, offer, promotion, distribution, or any descriptive, promotional or editorial materials, descriptive material or any Text. The Client acknowledges that any such agreement will be governed by the TC and the Client’s obligations under the TC will apply to any such agreement in the event of a breach of the TC by the Client.

5. Distribution As a condition to the Client’s obligation to make payments to Elsevier under clause 5.

6. Intellectual property Copyright and other property rights in all Elsevier publications, products and other materials purchased by the Client under the TC ("the Products") belong to Elsevier or its licensors and the Client's obligations under the TC shall not affect these property rights. Elsevier grants to the Client a non-exclusive, non-transferable, non-sublicensable, nonassignable license to use the Products for the Client's own internal business purposes, and no other.

7.(if applicable) (i) Client acknowledges that Elsevier shall be entitled to apply any monies received by the Client, to clear any of the Client's outstanding debts to Elsevier. (ii) Notwithstanding anything to the contrary in the TC, Elsevier shall be entitled to retain any monies received by the Client, and the Client agrees that it will not be entitled to receive any such monies until such time as the Client has paid all monies due under the TC.

8. Intellectual property The Client holds the necessary licenses under the laws of the Client’s place of business and the Client shall indemnify Elsevier against any claim or demand, or any expenses incurred by Elsevier in connection with any claim or demand, or any expenses incurred by Elsevier in connection with any claim made against Elsevier or any of its employees or agents which is brought by any person or entity (including, without limitation, the Client's customers, suppliers, licensees or other third parties) who claims that any of the Products infringes or is misappropriated by any copyright, patent, trademark, trade name, trade secret, music, image, or other proprietary or property right. The Client is responsible for all claims, damages, losses, costs, and expenses incurred by Elsevier in connection with any claim or demand, or any expenses incurred by Elsevier in connection with any claim made against Elsevier or any of its employees or agents which is brought by any person or entity (including, without limitation, the Client's customers, suppliers, licensees or other third parties) who claims that any of the Products infringes or is misappropriated by any copyright, patent, trademark, trade name, trade secret, music, image, or other proprietary or property right.

9. Force majeure (a) Force majeure. Elsevier shall be entitled to change the delivery/performance date of any Products or Services for any reason, including force majeure. (b) Force majeure. Elsevier shall be entitled to change the delivery/performance date of any Products or Services for any reason, including force majeure. The Client acknowledges that any such agreement will be governed by the TC and the Client’s obligations under the TC will apply to any such agreement in the event of a breach of the TC by the Client.

10. Advertising & Reprints Details of any product, offer, promotion, marketing, public relations, advertising or reprints campaign (including, without limitation, any graphic content, any software, any Website or any related media or materials) that the Client proposes to undertake that may use any of the Products or Services, or any copyright, patent, trademark, trade name, trade secret, music, image, or other proprietary or property right, including any advertisement, offer, promotion, distribution, or any descriptive, promotional or editorial materials, descriptive material or any Text shall be the subject of a written agreement with Elsevier and such agreement shall set forth the terms, conditions and restrictions applicable to the use of such advertisement, offer, promotion, distribution, or any descriptive, promotional or editorial materials, descriptive material or any Text. The Client acknowledges that any such agreement will be governed by the TC and the Client’s obligations under the TC will apply to any such agreement in the event of a breach of the TC by the Client.

11. Compliance with laws The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any individual or entity for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

12. Compliance with laws The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any individual or entity for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

13. General If no dates are so specified, delivery/performance will be within a reasonable time.

14. General If no dates are so specified, delivery/performance will be within a reasonable time.

This document is a legal contract that outlines the terms and conditions of supply between Elsevier and its clients. It includes provisions on applicability, compliance with laws, advertising and reprints, force majeure, distribution, intellectual property, and general terms. The document aims to ensure that both parties understand their responsibilities and obligations in the context of purchasing and supplying products and services.
