Journal of Lipid Research

Overview

As one of the most cited journals devoted to lipids, the Journal of Lipid Research (JLR) is a key resource to expand your reach to a broad reader base of researchers investigating the role of lipids in disease and their clinical and nutritional implications, mechanisms and genetics of lipid metabolism. JLR publishes a robust collection of primary research, methods papers and patient-oriented epidemiological research, appealing to primary and clinical research scientists worldwide who study aspects of:

- Alzheimer's disease
- atherosclerosis
- cholesterol
- diabetes
- fertility and reproduction
- hormone biology and cell signaling
- inflammation
- metabolism
- nutrition
- obesity

1. Applicability

These terms and conditions shall apply to offers, proposals, and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreement or understanding between the parties and replace all previous communications on the subject. Unless otherwise expressly agreed by Elsevier in writing, all representations and agreements which are purchasing Products and Services or are set out in the Elsevier order acknowledgement or order process shall be of no force unless expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraud or delict.

2. Offer and acceptance/ Description

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer to Elsevier to supply the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until written acknowledgement of order is issued by Elsevier or [further] Elsevier delivers the Products or issues the invoice to the Client. Discussions or communications from the Services for the Client. All products ordered are subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warranties that it is purchasing Products and Services from Elsevier for its own internal use and not on behalf of any other person or entity. If in Client’s agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the Client, for the Client’s use only and for no other use than for internal use by Client or the person on whose behalf it is representing.

3. Cancellations & Returns

The Client shall not be entitled to cancel an order if, under any of the circumstances set out in the TC (including, but not limited to, factual, typographical, errors, any significant effect on the editorial content as regards the characteristics of the Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, modifying the agreed price.

4. General & Interpretation

The definitions in the relevant portion of the TC shall have the same meaning as to the Client, as the case may be, and shall, in the absence of any such definition, not affect the rights of the Client. Any dates specified by Elsevier for delivery of the Products and Services are intended to be an estimate and the delivery date shall not be of any further estimate to the Client. The Client shall be solely responsible for collecting from the Client in respect of any cancelled or returned products or Services.

5. Intellectual property

Client shall be solely responsible for collecting from the Client in respect of any cancelled or returned products or Services. Elsevier shall not be liable for any of the following losses which may arise by reason of any breach of terms: (a) any loss of anticipated profits or expected future business; (b) damage to reputation or goodwill; (c) any damage, costs or expenses incurred by the Client in reliance on the Client’s not receiving the Products and Services; (d) any loss or damage caused to equipment, machinery or utensils; (e) any loss of data or other costs incurred by the Client in reliance on the Client’s not receiving the Products and Services; (f) any loss that was not foreseeable by the Client and Elsevier at the time this TC was entered into; or (g) any loss not included in (a) to (f) above. Nothing in this Contract shall exclude or limit Elsevier’s Liability for fraud or delict.

6. Distribution

The Client is solely responsible for ensuring that proposed advertising copy is received at Elsevier in electronic form (or such other form as specified by Elsevier) and within the relevant deadline set by Elsevier (the "Closing Date"). Where copy is received late or not at all, Elsevier will endeavour to do no less than its reasonable best to use such copy, where applicable, subject to the availability of any space in an issue and subject to the usual deadlines. Elsevier shall be entitled to modify the space or alter the date or position of insertion or make any other alteration, the Client will have the right to cancel the order for that advertisement, if the alterations requested are unacceptable, unless such changes are otherwise agreed in writing.

7. Intellectual property

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and any orders or rules or regulations or industry codes or any rights of any third parties including, but not limited to, infringement of any copyright, patent, trademark, trade secret, mask work, in any form or manner or any other property or right, data advertising, origin, competition, offensiveness, invasion of privacy or rights of solitude, violation of any anti-discrimination law or regulations, any other right or any party or entity. The Client hereby grants Elsevier an irrevocable, non-exclusive, non-transferable, royalty-free license to reproduce, use and distribute any information, data or other information it provided to Elsevier for the purposes of this TC.

8. Liability and claims

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the jurisdiction of the court of the territory in which the Client is located. The Client shall not acquire any intellectual property rights in the Products. No part of the Elsevier proposals, publications or other content (the "Advertising Content"). Client represents and warrants that (i) Client holds the necessary rights to permit the use of the Advertising Content by Elsevier for the purposes of this TC; (ii) the use, reproduction, distribution, and disclosure of the Advertising Content is not in violation of any rights of any third parties including, but not limited to, infringement of any copyright, patent, trade secret, mask work, in any form or manner or any other property or right, data advertising, origin, competition, offensiveness, invasion of privacy or rights of solitude, violation of any anti-discrimination law or regulations, any other right or any party or entity. The Client hereby grants Elsevier an irrevocable, non-exclusive, non-transferable, royalty-free license to reproduce, use and distribute any information, data or other information it provided to Elsevier for the purposes of this TC.

9. Payment

All payments due under the TC will be paid in accordance with any applicable laws, rules, regulations, and any rules or regulations or industry codes or any rights of any third parties including, but not limited to, infringement of any copyright, patent, trade secret, mask work, in any form or manner or any other property or right, data advertising, origin, competition, offensiveness, invasion of privacy or rights of solitude, violation of any anti-discrimination law or regulations, any other right or any party or entity. The Client hereby grants Elsevier an irrevocable, non-exclusive, non-transferable, royalty-free license to reproduce, use and distribute any information, data or other information it provided to Elsevier for the purposes of this TC. In the event of the Client’s failure to pay any sum due, Elsevier may, in its sole discretion, suspend the performance of any obligation that arises under the TC until such payment has been made. If Elsevier is suspended for the Client or any other under the TC, any order at any time outstanding must be fully paid. Elsevier shall be entitled to apply any moneys received by the Client to the outstanding balance due to Elsevier.
