1. Applicability. These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the “TC”). The Products and/or Services are to be supplied by Elsevier in accordance with the TC and any order acknowledgement. The Client undertakes that the TC and any order acknowledgement are the entire agreement between the parties and that no other agreement or understanding in respect of the subject matter of the TC and any order acknowledgement shall be binding upon Elsevier unless agreed by Elsevier in writing.

Where applicable, Client shall provide to Elsevier Client’s VAT registration number or other evidence of tax exemption to Elsevier at the time of placing any order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the payment of the price or any such tax, the Client shall deduct such tax from the price and pay the remainder due to Elsevier. In such case, the Client will reimburse Elsevier any amount of such taxes actually remitted to Elsevier. A receipt for the refund will be issued by Elsevier on request.
