Overview

GIM Open is an international journal with a broad focus on medical genetics and genomic medicine including all aspects of therapy. It will have a strong focus on diversity, equity, and inclusion and will have a double anonymous review process for submitted manuscripts.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC").

**Notes:**
- All prices/rates are exclusive of any handling, packing, loading, freight, insurance transport and insurance charges unless otherwise agreed in writing, and shall also be exclusive of any taxes, import duties or other taxes imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as applicable. Where applicable, Client shall provide to Elsevier Client's VAT registration number or other evidence of tax exemption to Elsevier at the time of placing an order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the price received by Elsevier for the Products and Services, the Client shall deduct and pay such withholding tax, if any, to the relevant authority and will ensure that Elsevier receives the full amount due for the Products and Services.
- Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for personal use. Client acknowledges that violation of this representation and warranty shall cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to discontinue all recipients of the Products and Services from Elsevier, including all actual recipients that have not been previously properly identified by Client. Elsevier shall use commercially reasonable efforts to comply with the provisions of the Products and Services agreed by both parties in the relevant order, including such terms as format, printing, design, technical style, and size of address file, and the like. All amendments, descriptive matter, specifications and advertising caused by Elsevier or any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design character of the Products and Services, cannot be considered a reason for rescheduling or re-printing. As such, the case may, in the event, lead to the payment of a standard price/cost.
