Overview

The Genetics in Medicine journal’s mission is to enhance the knowledge, practice, and understanding of medical genetics and genomics through publications in clinical and laboratory genetics and genomics, including ethical, legal, and social issues as well as public health. As genetics and genomics continue to increase in importance and relevance in medical practice, the journal will be an accessible and authoritative resource for the dissemination of medical genetic knowledge to all medical providers through appropriate original research, reviews, commentaries, standards, and guidelines.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to all proposals, offers and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. For the purposes of these terms and conditions, "a single transaction" shall mean each transaction between Elsevier and the Client as set out on the Elsevier order acknowledgement. Where general terms and conditions of business are proposed by the Client, these shall not apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall be null and void unless expressly agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraud or fraudulent misrepresentation.

2. Offer and acceptance/Description
Each order placed by a Client for the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until written acknowledgement of order is issued by Elsevier or [forthwith] Elsevier delivers the Products or issues the invoice to the Client or commencement of performance by the Services for the Client.

3. Cancellations & Returns
Products or Services supplied under the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier removes additional costs, or incurs any expenses in connection with the completion of the order, the Client shall pay Elsevier for such additional costs or expenses.

4. Prices, taxes and exchange
Unless otherwise agreed by Elsevier in writing the prices for the Products and Services subject to the TC (in Elsevier's current price list (whether written or oral). All such prices shall be exclusive of any handling, packing, landing, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of all taxes, import duties or other levies imposed on the sale or supply of the Products or Services for local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide to Elsevier the relevant VAT registration number or other tax identification number for all tax purposes relating to the supply of the Products and Services, and to the extent required by law, all necessary documentation to enable Elsevier to claim any input tax credit.

5. Payment

Where advance payment is required by Elsevier in writing. The Client shall remain liable for any undisputed part of such invoice. Elsevier shall be entitled, without prejudice to any other rights of action or remedy, to recover payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier. Orders specifying positions are at the Client's risk. The Client shall be entitled to modify the space or alter the date or position of insertion or make any other alteration, the Client will have no further claim against Elsevier, nor shall Elsevier be bound to make any adjustment or refund in respect of such alteration. The Client shall make all payments due under the TC without deduction of any kind, whether by way of any tax, discount, debit or otherwise. Elsevier does not have to ask for payment or for a guarantee of payment from the Client. Where the Client is indebted to Elsevier for any other sums in addition to those sums hereinafter identified as reasonable, the Client shall be exclusively responsible for paying to Elsevier in full all such advances and/or advances made on account of the Client's account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to do so, in any other capacity, as principal or agent of the Client. The Client shall use commercially reasonable efforts to comply with the relevant tax law as required by law, and to take all necessary steps to assist Elsevier and its affiliates to comply with such laws as may be applicable. Elsevier will be entitled to cancel any contract or agreement entered into between the Client and another party or parties to the extent that such cancellation shall not be unlawful, void or voidable, and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or failing to enforce any provision of the TC or any part of it shall not prejudice Elsevier's right to enforce the same or any other provision of the TC.

6. Distribution
The Client shall not repackage, reproduce, or republish the Product(s) or any other products of Elsevier or its affiliates, nor sell it directly or indirectly, facilitate or other parties to engage in these activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or misappropriation of the Product or any third party under the terms of this TC.

7. Intellectual property
Elsevier owns all intellectual property rights in the Products and Services, and in any compilation, reproduction, adaptation, translation, or arrangement of the same, as well as the knowledge that the liability of Elsevier is to be limited in accordance with these terms and conditions and the relevant estoppel to any rights or duties of the Client and any third party. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

8. Liability and claims

TO THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS (i) Elsevier shall not be liable for any of the following losses which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law (by any loss of profits or anticipated future business); (ii) damage to reputation or goodwill; (iii) any damages, costs or expenses (whether direct or indirect) for which any person or entity is not entitled to be held liable; (iv) any loss or any costs which are not caused by Elsevier and for which the Client or the TC has been entered into or (v) if Elsevier has not assumed any liability for the products or services supplied or for the Client's goods or for any of its own negligence or willful neglect on the INFRINGEMENT OF ITS OWN ORGANS OR SERVICES OR OTHERS FOR WHICH THE PARTY IS LEGALLY RESPONSIBLE.

9. Compliance with laws

If a party is unable to perform any of its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is unable to perform. The Client acknowledges that it is responsible for obtaining all necessary licenses, approvals, registrations, and consents, including any necessary security access to any host systems, prior to the Client's use of any of Elsevier's products or services and that such restrictions apply to the extent that they are necessary to comply with the laws of the Client's country of origin or the Client's export controls.

10. Advertising & Reprints

The Client acknowledges that if an advertisement is not issued in a timely manner by Elsevier, the Client shall not have any right to cancel the advertisement.

11. Audit

The Client acknowledges that if the liability of Elsevier is to be limited in accordance with these terms and conditions and the relevant estoppel to any rights or duties of the Client and any third party. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

12. Compliance with laws

The Client acknowledges that if an advertisement is not issued in a timely manner by Elsevier, the Client shall not have any right to cancel the advertisement.

13. Cancellations & Returns

Products or Services supplied under the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier removes additional costs, or incurs any expenses in connection with the completion of the order, the Client shall pay Elsevier for such additional costs or expenses. Failure or delay by Elsevier in enforcing or failing to enforce any provision of the TC or any part of it shall not prejudice Elsevier's right to enforce the same or any other provision of the TC.
