Overview

JACC: Advances, is an open access, online-only journal with a unique mandate of focusing on new and emerging fields in cardiology, and recognizing and illuminating paradigm shifts as they occur. Over the past few decades, changes in patient and disease populations, emergence of new fields and advances in diagnostics and treatments have altered how cardiovascular medicine is practiced.

1. Applicability

Terms and conditions shall apply to all offers, proposals, agreements made between the Client and any third party on or after the date hereof ("the Client") relating to the products and services of Elsevier ("the Products and/or Services") and, with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties with regard to the subject matter thereof. The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier reserves the right to refuse any such assignment. A contract may not be varied or amended except by agreement in writing.

2. Client's obligations

The Client shall allow Publisher's authorized representative at any reasonable time to have access to Client's premises (or any other premises on which Client's business is then carried on or any other place where Client's records are kept) for the purpose of inspecting Client's facilities, books and records to verify Client's compliance with the TC. Client shall make available for inspection all relevant information and shall provide all necessary assistance to the elsevier representative in connection with the inspection.

3. Data protection

Client shall not disclose Elsevier's trade secrets or proprietary information to any third party other than its employees and agents who have a need to know in order to perform their duties hereunder. Client shall use reasonable efforts to prevent the unauthorized disclosure of Elsevier's trade secrets and proprietary information.

4. Prices, taxes and currencies

The Client acknowledges that prices quoted are exclusive of all taxes, duties and/or other levies imposed on the sale of the Products or Services by local or national authorities, which shall be charged to the Client as appropriate. Where applicable, Client shall provide to Elsevier Client's VAT registration number or such other evidence of tax registration as Elsevier may require from time to time in connection with the TC. All financial transactions must be settled in the currency of the applicable Elsevier invoice. The Client will be responsible in its own country for complying with any foreign exchange-related procedures or foreign exchange controls that are in force.

5. Payment

The Client shall pay Elsevier for the Products and Services Agreement as set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of purchase issued by Elsevier and any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued or published for the purpose of giving an approximate description of the Products and Services described therein. They will not form part of the TC. The publishing version, including, but not limited to, typographical errors, having no significant effect on the exorbitant content or design characteristics of the Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, for modifying the agreed prices.

6. Distribution

The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier may terminate this TC at any time in the event of a breach of this TC by Client, and at any time by either party if the other party becomes subject to any of the events set forth in section 12.2 of this TC,

7. Intellectual property

Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products and or Services shall remain with Elsevier unless agreed otherwise in writing. The Client is not authorized to reproduce, distribute, copy, or otherwise use any material beyond what is expressly permitted under the license rights granted to the Client by Elsevier. The Client shall not acquire any intellectual property rights in any material beyond that which is expressly permitted under the license rights granted to the Client by Elsevier.

8. Liability and claims

The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier may terminate this TC at any time in the event of a breach of this TC by Client, and at any time by either party if the other party becomes subject to any of the events set forth in section 12.2 of this TC,

9. Force majeure

By reason of labor dispute, strike, inability to obtain labor or materials or for any other reason, Client's failure to make good performance hereunder is to be excused. No action shall lie against either party for failure to perform hereunder as a result of any such cause. No action shall lie against either party for failure to perform hereunder as a result of any such cause.

10. Advertising & Reprints

Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Where allowed by this TC, the Client shall be responsible for the design, production, and supply of all advertising and will be required to obtain any necessary advertising permits and pay all applicable fees or taxes. Where such permits or fees or taxes are required, the advertising shall not be published until such permits or fees or taxes have been paid.

11. Audit

If by reason of labor dispute, strike, inability to obtain labor or materials or for any other reason, Client's failure to make good performance hereunder is to be excused. No action shall lie against either party for failure to perform hereunder as a result of any such cause. No action shall lie against either party for failure to perform hereunder as a result of any such cause.

12. Compliance with laws

The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier may terminate this TC at any time in the event of a breach of this TC by Client, and at any time by either party if the other party becomes subject to any of the events set forth in section 12.2 of this TC,

13. Cancellations & Returns

The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier may terminate this TC at any time in the event of a breach of this TC by Client, and at any time by either party if the other party becomes subject to any of the events set forth in section 12.2 of this TC,
