1. Applicability

These terms and conditions shall apply to offers, proposals and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "Agreement"). If any party supplies any additional or different terms, such terms shall not be binding upon Elsevier unless accepted in writing by Elsevier. The Agreement shall be governed by the laws of the United Kingdom, unless otherwise agreed in writing. The English language version shall prevail in the event of any conflict with a translation. The Agreement may not be amended or modified except in writing signed by an authorized signatory of Elsevier.

2. Compliance with laws

The Client shall comply with all applicable laws, regulations, rules, orders, and requirements, including any law, regulation, or order affecting or pertaining to the performance of the Agreement. If the Client fails to comply with any such law, regulation, or order, Elsevier may terminate the Agreement without any liability to the Client.

3. Payment

Payment shall be made in accordance with the terms and conditions of the Agreement. Payment shall be made by the Client to Elsevier in accordance with the invoice, except as otherwise agreed in writing. All payments shall be made in the currency specified in the invoice, unless otherwise agreed in writing.

4. Intellectual property

Copyright and all other intellectual property rights to all products, publications, and other materials provided to the Client shall remain with Elsevier unless otherwise agreed in writing. The Client acknowledges that Elsevier shall retain all rights, title, and interest in and to the Products and Services and all intellectual property rights thereto, except as otherwise provided in writing by Elsevier.

5. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, or any other cause beyond the control of a party, such party is unable to perform in whole or in part any of its obligations under the Agreement, the affected party shall notify the other party promptly of such inability to perform and shall provide a description of the cause of the inability to perform. The affected party shall use reasonable efforts to overcome the cause of the inability to perform and to resume performance of its obligations under the Agreement as promptly as practicable. If the affected party is unable to perform its obligations under the Agreement as required by the Agreement due to such cause, the other party shall be entitled to terminate the Agreement without liability to the affected party.

6. Severability

If any provision of the Agreement is held to be invalid, illegal, or unenforceable in whole or in part, such provision shall be ineffective to the extent of the invalidity, illegality, or unenforceability, and shall be deemed severable and not to affect any other provisions of the Agreement. The remaining provisions of the Agreement shall remain in full force and effect.

7. Governing law and jurisdiction

The formation, existence, construction, performance, validity, and all aspects of the Agreement shall be governed by the laws of the United Kingdom. The parties agree to submit to the exclusive jurisdiction of the courts of the United Kingdom to resolve any dispute or claim arising out of or relating to the Agreement or the subject matter of the Agreement.

8.适用法律和司法管辖

本协议的形成、存在、解释、执行、效力和所有有关本协议的事项，均应受英国法律的管辖，双方同意将任何因本协议或本协议中所述事项而引起的任何争议或索赔提交给英国法院解决。
