Overview

JSCAI is a peer-reviewed, international, Gold Open Access journal covering the broad field of cardiovascular diseases. JSCAI aims to be a highly credible and well-balanced reference that highlights practical techniques and pathways of care and delivers high impact scientific contributions drawn from clinicians and colleagues in interventional cardiology. JSCAI publishes original research, editorials, study designs, reviews, meta-analyses, imaging and case reports, and research letters. The subject matter includes all interventional subspecialties including coronary, peripheral, structural, and congenital heart disease.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability

These terms and conditions shall apply to offers, proposals, agreements made between Elsevier and the Client or any third party or any agent ("the Client") relating to the products and services supplied by Elsevier ("the Products or Services") and, unless otherwise expressly agreed in writing, shall apply to the Client's purchases of Products and Services set out in the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are published by the Client, these shall not apply. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed to in writing and signed by an authorised signatory of Elsevier. Nothing in this TC shall exclude or limit Elsevier's Liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or such a use may be subject to additional licence terms.

2. Offer and acceptance

Unless otherwise agreed by Elsevier in writing, any order placed by the Client shall be subject to Elsevier's current price list (whether point or online). All such prices/date rates shall be exclusive of any handling, packing, hiring, freight, transport and insurance charges unless specifically stated. Where the price is based on a rate (e.g. per page or word), the Client shall be invoiced at the rate prevailing on the date on which the invoice is received and no discount will accrue for payment of the invoice prior to the stated due date.

3. Liability and claims

The Client acknowledges that Elsevier shall not be liable for any indirect, special or consequential loss or damage to the Client or any third party arising out of or in connection with the Client's breach or alleged breach of any of the foregoing representations and warranties. Elsevier shall have the right, at any time, to remove any advertising which, in Elsevier's assessment, is or may be, in its opinion, misleading, misleading by reason of incompleteness or incorrectness, fraudulent or unfair. Elsevier reserves the right to withhold supply of the Products or Services as set out in the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are published by the Client, these shall not apply. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed to in writing and signed by an authorised signatory of Elsevier. Nothing in this TC shall exclude or limit Elsevier's Liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or such a use may be subject to additional licence terms.
