Overview

Structural Heart is a unique, international and peer-reviewed journal focusing on diagnosing and treating diseases of the heart valves, myocardium and great vessels as well as congenital heart disease and shedding light on the importance of the heart team in this process. The Journal covers topics such as transcatheter procedures, cardiovascular surgery, drug treatment, basic and translational science and imaging in structural heart disease and innovation (new devices, therapies and first-in-humans). Each issue contains original research, reviews, opinion pieces, editorials and images in cardiovascular disease.

Contact your sales representative for all digital advertising rates and opportunities.
2. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). Unless otherwise expressly agreed in writing, no other terms or conditions which are not expressly incorporated herein shall apply to the TC and any order placed thereunder in relation thereto.

3. Prices, taxes and currencies

Unless otherwise expressly agreed by Elsevier in writing, the Client shall pay Elsevier for all such Products and Services that Elsevier has sold to the Client subject to the relevant TC upon delivery or at such other times as is specified in the TC. The Client acknowledges that purchase of Such Products or Services is subject to a sales tax or value-added tax. The Client further agrees that he/she will not accept any Prohibited Payment without prior written permission from his/her authorized/appointed agent of the Client, to whom all such communications in respect of the Client's dealings with any employee or official of a government agency or any other government owned, operated or controlled universities, hospital and libraries, or political parties or candidates (jointly “Government Official”). Neither the Client, Elsevier, nor any of its officers, directors, employees or agents shall pay, offer, give, promise or authorize the payment, directly or indirectly, of any monies or anything of value to any commercial contact or Government Official for the purpose or intent to induce such person to use his/her

4. Prices, taxes and currencies

The Client acknowledges that provision of such Products or Services will cause him/her to be in breach of any such applicable laws and the Client further agrees to indemnify Elsevier for the cost or expense of any fines or penalties, or any other costs or expenses, arising out of any such violation of applicable laws and the Client shall have the right to cancel the agreement or order without any liability on the part of Elsevier.

5. Payment

Unless otherwise agreed in writing, payment shall be made within thirty (30) days of the invoice date in the currency invoiced. For payment to be made, the Client shall provide Elsevier with the Client's bank details, which Elsevier may require to verify the Client's identity. Any tax or duty imposed on Elsevier shall not be subtracted from the payment due. The Client shall instruct Elsevier as to how payments are to be charged to the Client's account and Elsevier may provide a bank account number to the Client for the purpose of receiving payments. The Client shall bear all costs and expenses incurred by Elsevier in recovering any overdue amount from the Client. If a payment is returned to Elsevier for any reason, the Client shall pay Elsevier all costs and expenses incurred by Elsevier in recovering the payment from the Client, together with any collection fees incurred by Elsevier. If the Client wishes to dispute any invoice (or part), the Client shall, as soon as reasonably practicable, but not later than the due date of such invoice, send full details of such dispute to Elsevier in writing. The Client shall remain liable for such part of the invoice as is not disputed.

6. Distribution

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products or services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full credit control and solely bearing all of its own losses resulting from any uncollected amounts. Delay or failure in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under this Agreement.

7. Intellectual property

Copyright and other intellectual property rights to all Elsevier proposals, publications or other Products and or Services shall remain with Elsevier unless otherwise agreed in writing. The rights granted by Elsevier are restricted to use solely by the Client and may not be assigned, transferred or sublicensed without the prior written permission of Elsevier. The rights granted by Elsevier are non-exclusive and for the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights in the Products. No part of the Elsevier proposals, publications or Products may be stored in any automated data file and/or reproduced, whether electronically, mechanically, by photostating, recording or in any other manner or form, without the specific prior written permission of Elsevier.

8. Liability and claims

The Client acknowledges that it is his/her responsibility to ensure that the Client's obligations under this TC are fulfilled in accordance with any relevant laws or regulations applicable to the Client's domicile or place of business. The Client shall indemnify Elsevier against any such claims as arise out of such breach.

9. Risk of loss

If any person or entity is alleged to be in breach of any of the Client's obligations under this TC, Elsevier shall be entitled to terminate this TC and, if applicable, any related agreement, and to recover all amounts due to Elsevier. In such an event, Elsevier may also be entitled to recover any consequential losses incurred by Elsevier.

10. General

This TC is governed by English law. Any dispute arising out of or in connection with this TC or any breaching of the terms of this TC shall be brought before the English courts and the Client hereby irrevocably agrees to submit to the non-exclusive jurisdiction of the English courts.
