Modern Pathology

Overview

Modern Pathology is an international journal owned by The United States & Canadian Academy of Pathology (USCAP). Modern Pathology aims to provide an authoritative platform for publishing the highest quality clinical and translational research studies in pathology. Original manuscripts are the main focus of Modern Pathology. Our scientific communication is enriched by high impact editorials, reviews, and practice guidelines that relate to all aspects of precision diagnostics in human pathology. As such, Modern Pathology’s scope encompasses advances in the molecular diagnostics and genomic classifications of disease as well as discoveries in immune-oncology, computational science and applied bioinformatics, and digital pathology.

1. Applicability

These terms and conditions shall apply to all proposals, quotations, offers, and orders made by Elsevier to the Client and to any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties ("the T&C"). They supersedes any previous verbal or written agreements between the parties. For the purposes of these T&C, Elsevier shall mean the Elsevier company within the Elsevier group that is providing the Products or Services as set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are proposed by the Client, these shall not apply and the T&C shall prevail. Any variation to the T&C and any representations about the Products and Services shall be in writing and signed by an authorised signature of Elsevier. Nothing in the T&C will exclude or limit Elsevier’s Liability for Fraudulent Misrepresentation.

2. Offer and acceptance of orders

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the T&C. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [Footer] Elsevier delivers the Products or issues the invoice to the Client or confirms performance of the Services for the Client. All order acceptance and proposals are subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products from Elsevier for its own internal use and not and not behalf of and other person or entity. If the Client in an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the Client and is not on behalf of any person other than the Client.
