Current Developments in Nutrition

Overview

Current Developments in Nutrition is a peer-reviewed, open access journal publishing original research articles; brief communications; reports on research methodology and study design; commentaries and reviews that strive to briskly review, publish, and disseminate high-quality research in nutritional sciences.

Current Developments in Nutrition is an official monthly publication of the American Society for Nutrition (ASN) and focuses on multiple animal species and ranges from deep, mechanistic studies at molecular/biochemical and cellular levels to whole-body metabolism, clinical health, fitness, and population health. Areas of new and added emphasis include: food and nutrition policy; eating behavior and qualitative assessments; implementation science and intervention program methods and outcomes; evaluation/validation studies of dietary/nutrition methods; human food and animal feed composition; agricultural and food-system methods affecting nutritional value; processing, packaging, and storage effects on nutritional value; animal nutrition (e.g., agricultural and companion animals and aquaculture); nutrition education; nutrition and exercise physiology; food & nutrition of Indigenous peoples.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to such proposals, requests and agreements made between Elsevier and any third party or its agent (“the Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (“the TC”). They supersede any previous agreements between the parties for the subject matter. Any variations in the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraud or fraudulent misrepresentation.

2. Offer and acceptance/Description
Each order placed by the Client for the purchase of the Products and Services subject to the TC has, once placed, the effect of an offer to Elsevier to supply such Products and Services to the Client at the agreed price and subject to these TC. Any return of Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, design, size and or of address, fees, weights and the like. All drawings, descriptive matter, specifications and advertising material supplied by Elsevier are drawn up or prepared for the sole purpose of giving an approximate idea of the Products and Services described therein. They will form part of the TC. The publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for requesting delivery or, as the case may be, modifying the agreed price.

3. General
(i) Any modifications to the Client’s order for the purchase of the Product or service described, schedule or budget, or the order acknowledged, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier restates additional

4. Prices, taxes and currencies
If no dates are so specified, delivery/performance will be within a reasonable time. Elsevier shall not be liable for any cost to any Client account and shall be entitled to refuse to supply any Client who has not paid its correct amount. Credit and gift certificates are not acceptable to any Client account and shall be entitled to refuse to supply any Client who has not paid its correct amount. Credit and gift certificates are not acceptable. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any

5. Payment
Any returns of the products shall be subject to the relevant Elsevier company’s return policy... The Client acknowledges that violation of this representation and warranty shall have no materialised harm to Elsevier. Upon any

6. Distribution
The Client shall not engage, reproduce, or plagiarise any of the products or other products of Elsevier, or sell it directly or indirectly, facilitate or assist any party to engage in such activities. The Client shall promptly notify Elsevier if becomes aware of any piracy, reproduction, or misappropriation of the Products by any third party. The Client is solely responsible for collecting from its customers’ accounts due amount in respect of the products and services, minus control and safely. Safe of all losses arising from any unconverted amounts. Delay or failure in obtaining such payments will not affect the Client’s obligation to remit payments to Elsevier under clause change.

7. Intellectual property
The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any

8. Liability and claims
(a) Any loss of anticipated profits; (b) damage to reputation or goodwill; (c) any loss that was not foreseeable by the Client and Elsevier at the time this TC was entered into; or (f) any loss not attributable to the Client’s fault or negligence; (g) any loss that was not avoidable by the Client; (h) any loss caused by any breach of contract. The Client’s obligation to remit payments to Elsevier shall not result in any liability or obligation of any nature, including, but not limited to, contribution in respect of any such liability. The Client’s obligations to remit payments to Elsevier under this clause change.

9. Force majeure
If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other element or act of accidents, elements, power or telecommunications failures, customs, government restrictions or appropriation or obstacles beyond the control of a party, such party is unable to perform in part or in whole obligations under the TC, such party shall not be liable for any breach of this TC. The exceptions to the effects of such event to the extent possible.

10. Advertising and Replication
Client is solely responsible for performing any proposed advertising orElsevier as specified by Elsevier and within the relevant deadline set by Elsevier (the “Closure Date”). Where no closure date is set by Elsevier (the “Closure Date”), Where no closure date is set by Elsevier, the relevant deadline shall be 28 February 2021. Contact Elsevier by email or telephone at 752007-2007.

11. Audit
Elsevier can terminate the TC at any time due to any cause provided that Elsevier has given the Client at least 30 days’ notice (except for a breach of the Client’s obligation to remit payments to Elsevier under this clause change.
