Current Developments in Nutrition

Overview

Current Developments in Nutrition is a peer-reviewed, open access journal publishing original research articles; brief communications; reports on research methodology and study design; commentaries and reviews that strive to briskly review, publish, and disseminate high-quality research in nutritional sciences.

Current Developments in Nutrition is an official monthly publication of the American Society for Nutrition (ASN) and focuses on multiple animal species and ranges from deep, mechanistic studies at molecular/biochemical and cellular levels to whole-body metabolism, clinical health, fitness, and population health. Areas of new and added emphasis include: food and nutrition policy; eating behavior and qualitative assessments; implementation science and intervention program methods and outcomes; evaluation/validation studies of dietary/nutrition methods; human food and animal feed composition; agricultural and food-system methods affecting nutritional value; processing, packaging, and storage effects on nutritional value; animal nutrition (e.g., agricultural and companion animals and aquaculture); nutrition education; nutrition and exercise physiology; food & nutrition of Indigenous peoples.

1. **Applicability**

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous understandings, proposals or agreements between the parties or any other representations about the Products and Services or on the Elsevier website or other Elsevier communications. No variation to the TC and no representations about the Products and Services shall have effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraud or fraudulent misrepresentation.

2. **Order and acceptance by Elsevier**

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [Further Elsevier delivers the Products or issues the invoice to the Client. Each Client purchase order and acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier redispatches additional products, the Client shall pay for the additional派遣 at the then current rate. Where any provision of the TC is deemed illegal or unenforceable, such provision shall be severed from the remaining provisions of the TC and the remaining provisions of the TC shall be deemed to be a single and independent provision.

3. **Cancellation & Returns**

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be notified in writing to Elsevier at the earliest. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of the cancellation. In the event of a partial cancellation, the Client shall pay for the portion of the order that has been delivered. If the Client cancels an order for a Product or Service, Elsevier reserves the right to retain all partial deliveries of such Product or Service. The Client shall be liable for any costs incurred by Elsevier as a result of such cancellation, including, but not limited to, the costs of any internal or external storage, handling or disposal of the Product or Service. The Client shall pay for any such costs upon receipt of an invoice from Elsevier.

4. **Audit**

Elsevier shall be entitled to conduct an audit of the Client's records at any time during the term of the TC for the purpose of verifying compliance with the TC. The Client shall allow Publisher's authorized representative at any reasonable time to have access to Client's premises (or any office or desk) for the purpose of inspecting Client's facilities, books and records to verify Client's compliance with the TC. All costs and expenses incurred by Elsevier in connection with such an audit shall be borne by the Client.

5. **Fraudulent misrepresentation.** Where Products are sold to the Client that contain third party product or software such a sale may be subject to additional license terms.

6. **Distribution**

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be notified in writing to Elsevier at the earliest. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of the cancellation. In the event of a partial cancellation, the Client shall pay for the portion of the order that has been delivered. If the Client cancels an order for a Product or Service, Elsevier reserves the right to retain all partial deliveries of such Product or Service. The Client shall be liable for any costs incurred by Elsevier as a result of such cancellation, including, but not limited to, the costs of any internal or external storage, handling or disposal of the Product or Service. The Client shall pay for any such costs upon receipt of an invoice from Elsevier.
