Current Developments in Nutrition

Overview

Current Developments in Nutrition is a peer-reviewed, open access journal publishing original research articles; brief communications; reports on research methodology and study design; commentaries and reviews that strive to briskly review, publish, and disseminate high-quality research in nutritional sciences.

Current Developments in Nutrition is an official monthly publication of the American Society for Nutrition (ASN) and focuses on multiple animal species and ranges from deep, mechanistic studies at molecular/biochemical and cellular levels to whole-body metabolism, clinical health, fitness, and population health. Areas of new and added emphasis include: food and nutrition policy; eating behavior and qualitative assessments; implementation science and intervention program methods and outcomes; evaluation/validation studies of dietary/nutrition methods; human food and animal feed composition; agricultural and food-system methods affecting nutritional value; processing, packaging, and storage effects on nutritional value; animal nutrition (e.g., agricultural and companion animals and aquaculture); nutrition education; nutrition and exercise physiology; food & nutrition of Indigenous peoples.

1. Applicability

These terms and conditions shall apply to offers, proposals, agreements made between the TC and any third party or any of its third party ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the TC. They supersede any previous version and agreement or any representation about the Products and Services that have no effect unless expressly agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation.

2. Offer and acceptance/ Description

You shall be deemed to have accepted the Terms and Conditions of Elsevier by the Client as soon as the invoice or other terms and conditions have been accepted by the Client. The TC shall be deemed to be accepted by the Client as soon as the invoice or other terms and conditions have been accepted by the Client. Where TC's are subject to any third party product or software such risk may be subject to additional terms.

3. Execution and modification of the order

Any modifications to the product or service description, budget or schedule as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If the invoice of the Client, Elsevier reserves additional rights to adjust the compensation for any irregularities, modifications, or other breaches of the TC in the products and services agreed by both parties in the order acknowledgement. In such cases, no adjustments will be made unless the Client has agreed to such changes in writing. The Client shall be responsible for collecting from others, in respect of the sale of the product, all costs incurred in completing any foreign exchange-related procedures in the said territory that are necessary or unavoidable, but including without limitation all bank charges and foreign exchange charges.

4. Liability and claims

Elsevier shall not be liable for any actual, indirect or other losses or damages suffered by the Client in respect of any breach of the TC. Elsevier shall not be liable for any direct, indirect or other losses or damages suffered by the Client in respect of any breach of the TC. Elsevier's liability shall be limited to the maximum extent permitted by law, to the maximum extent permitted by law, and shall not exceed the amount actually paid to Elsevier by the Client under the TC.

5. Payment

Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency invoice. In default of payment, interest at the rate of 1% per month may be charged to the Client on a monthly basis for any sums outstanding, together with any collection fees or costs incurred or committed/contracted from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad space closing date, but in the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of any space reserved for the Client. The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any other person in connection with any matter or business transacted by or on behalf of Elsevier.
