JAAD International

Overview

JAAD International is one of two open access companion titles to the highly-respected Journal of the American Academy of Dermatology (JAAD). It publishes original, peer-reviewed articles of interest to an international audience of researchers, clinicians, and trainees in all dermatologic subspecialties, as well as physicians in related fields. Clinical and translational research studies containing new information that advances the understanding and practice of dermatology on a broad and inclusive basis are welcome.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions apply to all offers, proposals and agreements made between the Client and Elsevier for the Products. For the purposes of these terms and conditions, "the Client" means the person, firm or company to which the Order is addressed; "the Order" means the document, electronic or otherwise, issued by the Client to Elsevier or its authorized representative by which the Client requests the supply or execution of the Products or Services; "the Products" means the publications and/or services ordered by the Client and the Order; "the Services" means any advertising or promotional activities ordered by the Client and the Order; "the Products or Services" means the Products or Services together; "the Order Party" means the Client; "the Client" means the person, firm or company to which the Order is addressed; "the Order" means the document, electronic or otherwise, issued by the Client to Elsevier or its authorized representative by which the Client requests the supply or execution of the Products or Services; "the Products" means the publications and/or services ordered by the Client and the Order; "the Services" means any advertising or promotional activities ordered by the Client and the Order; "the Products or Services" means the Products or Services together; "the Client's VAT registration number" means the Client's Value Added Tax registration number; "the Client's own losses" means any losses, damages, claims or causes of action, including reasonable legal fees and expenses incurred by the Client.

2. Offer and acceptance
Unless otherwise agreed by Elsevier in writing, the Products or services requested by the Client in the Order shall be deemed to be accepted by Elsevier where the Client has paid for the Products or Services subject to the TC. In no event shall the Client be deemed to have accepted an offer until written acknowledgement of order is issued by Elsevier or [without prejudice to Elsevier's discretion] delivered the products or issues the invoice to the Client or performs services for the Client. For all products ordered under a time-based order, unless otherwise agreed by Elsevier in writing, the Order shall be deemed accepted where Elsevier has started performing the Products or Services or any part of it. The Client also acknowledges that the TC is an offer to sell, subject to acceptance by the Client. Neither the Order nor the acceptance of the Order shall be liable for any claims, demands, suits or actions by or on behalf of the Client or any third party for breach of the TC or for any act or omission of Elsevier or any of its employees, agents or contractors.

3. Force majeure
The Client shall not rely on any representation and/or warranty made by Elsevier or any of its employees, agents or contractors as to the nature, quality or fitness for purpose of the Products or Services or the execution or performance of a contract provided that such representations and/or warranties are made in good faith. The Client acknowledges that the liability of Elsevier is limited under the provisions of the TC to the extent permitted by law. The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors.

4. Prices and taxes
Unless otherwise agreed by Elsevier in writing, the Products or Services requested by the Client in the Order shall be deemed to be accepted by Elsevier where the Client has paid for the Products or Services subject to the TC. In no event shall the Client be deemed to have accepted an offer until written acknowledgement of order is issued by Elsevier or [without prejudice to Elsevier's discretion] delivered the products or issues the invoice to the Client or performs services for the Client. For all products ordered under a time-based order, unless otherwise agreed by Elsevier in writing, the Order shall be deemed accepted where Elsevier has started performing the Products or Services or any part of it. The Client also acknowledges that the TC is an offer to sell, subject to acceptance by the Client. Neither the Order nor the acceptance of the Order shall be liable for any claims, demands, suits or actions by or on behalf of the Client or any third party for breach of the TC or for any act or omission of Elsevier or any of its employees, agents or contractors.

5. Payment
Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency named in the Order. Invoices are payable on the due date without set-off or counterclaim. If a payment is not received at Elsevier's bank account on or before the invoice due date, interest at the rate prevailing at the time of collection shall be charged on the overdue amount. Payment shall be made in United States dollars (US$) unless otherwise agreed in writing. Invoices are presented in the currency of the Order, and any reference to a currency other than the Order currency is for information only. The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors.

6. Distribution
The Client shall ensure that if in any way its interests, reproduction, reproduction of the Products or any other products of Elsevier or its affiliates, will not be directly or indirectly facilitated by any other party to engage in these activities. The Client shall promptly notify Elsevier in the event of any privacy, trademark, or Know-How infringement, or unauthorized use of the Products by any third party. The Client is solely responsible for collecting from its customers any amounts due and safekeeping of all of Elsevier's own losses resulting from any uncollected amounts. Delays or failures in obtaining such payments will not affect the Client's obligation to remit payments of any fees or charges due under the TC.

7. Intellectual property
The copyright and other intellectual property rights in the Products, services and all other materials supplied by Elsevier to the Client under the TC, and all other data, materials and information delivered to Elsevier, and all other works delivered to Elsevier by the Client for purposes of the TC, shall remain the exclusive property of Elsevier. All products made by the Client shall remain the exclusive property of the Client. Elsevier shall have no right to use the Client's trade marks without the Client's prior written consent. Elsevier shall not, without the Client's prior written consent, disclose or disclose to any third party any information, including any data, materials and information delivered to Elsevier by the Client for purposes of the TC, and all other works delivered to Elsevier by the Client for purposes of the TC.

8. Liability and claims
The maximum extent permitted by relevant laws, Elsevier is not liable for any payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are incurred by the Client or a third party in connection with the performance of the TC, to the extent such payment is reimbursed by the Client.

9. Compliance with laws
The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors. The Client shall indemnify Elsevier for any and all losses, damages, claims or causes of action, including reasonable legal fees and expenses incurred by Elsevier, arising out of or resulting from its breach of this TC by Elsevier or any of its employees, agents or contractors.

10. Force majeure
The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors. The Client shall indemnify Elsevier for any and all losses, damages, claims or causes of action, including reasonable legal fees and expenses incurred by Elsevier, arising out of or resulting from its breach of this TC by Elsevier or any of its employees, agents or contractors.

11. Audit
The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors. The Client shall indemnify Elsevier for any and all losses, damages, claims or causes of action, including reasonable legal fees and expenses incurred by Elsevier, arising out of or resulting from its breach of this TC by Elsevier or any of its employees, agents or contractors.

12. Compliance with laws
The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors. The Client shall indemnify Elsevier for any and all losses, damages, claims or causes of action, including reasonable legal fees and expenses incurred by Elsevier, arising out of or resulting from its breach of this TC by Elsevier or any of its employees, agents or contractors.

13. Cancellations & Returns
The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors. The Client shall indemnify Elsevier for any and all losses, damages, claims or causes of action, including reasonable legal fees and expenses incurred by Elsevier, arising out of or resulting from its breach of this TC by Elsevier or any of its employees, agents or contractors.

14. General
The Client acknowledges that Elsevier is not liable for any loss or damage caused by any breach of the TC by Elsevier or any of its employees, agents or contractors. The Client shall indemnify Elsevier for any and all losses, damages, claims or causes of action, including reasonable legal fees and expenses incurred by Elsevier, arising out of or resulting from its breach of this TC by Elsevier or any of its employees, agents or contractors.
