Journal of Vascular Surgery: Venous and Lymphatic Disorders

Overview

Published quarterly, the Journal of Vascular Surgery: Venous and Lymphatic Disorders is a new peer-reviewed journal specifically geared to promote venous and lymphatic health. The journal publishes high quality clinical and basic scientific research, case reports, venous images, techniques, review articles, and practice management manuscripts related to all aspects of venous disease, lymphatic disease, and wound care with an emphasis on the practicing clinician. The journal seeks to provide novel and timely information to vascular surgeons, interventionists, phlebologists, wound care specialists, and allied health professionals who treat patients presenting with venous and lymphatic disease.
