The Lancet Global Health

Overview

Launched in June, 2013, The Lancet Global Health is a new open access, online title from The Lancet. This exciting new journal is dedicated to publishing high-quality original research, commentary, correspondence, and blogs on the following subjects as they pertain to low- and middle-income countries: reproductive, maternal, neonatal, and child health; adolescent health; infectious diseases, including neglected tropical diseases; non-communicable diseases; mental health; the global health workforce; health systems; health policy; and public health. All original research is subjected to The Lancet’s usual rigorous standards of external clinical and statistical peer review, and will be edited by experienced copy editors to the highest standards.
