Overview

The Lancet Planetary Health is a new online-only title in The Lancet’s growing family of specialty journals, joining The Lancet Public Health and The Lancet Global Health to provide a third pillar in The Lancet’s open-access programme. Building on the foundation of The Rockefeller Foundation–Lancet Commission on planetary health, this monthly journal is committed to publishing high-quality original research Articles, Editorials, Comments, and Correspondence that cover the interplay between health and the determinants of health in our living and physical world.
