Overview

*JVS: Vascular Science* publishes the best of "bench-to-bedside" translational research, underlying modern medical, endovascular and surgical investigation and management of vascular diseases. *JVS: Vascular Science* is dedicated to the science and art of vascular medicine, radiology, surgery and endovascular interventions and aims to improve the science underlying the evaluation and care of patients with aortic, arterial, venous and lymphatic disorders by publishing relevant papers that report important scientific advances, test new hypotheses, propose and define new treatments and address current controversies. To achieve the goal of bringing bench research to bedside, the *Journal* publishes original laboratory and experimental clinical studies, as well as review papers that relate to these aims. As an official publication of the Society for Vascular Surgery, the *Journal* also publishes selected papers presented at the Vascular Annual Meeting and the meetings of affiliated vascular societies, as well as original articles from members and non-members.

1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and the Client ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the TC"). They supersede any previous negotiations or agreements between the parties. These terms and conditions shall govern any performance by the Client of the Products or Services as set out in the Elsevier order acknowledgment or invoice. Unless otherwise expressly agreed by Elsevier in writing, both parties represent and warrant that they are purchasing Services from Elsevier for their own account and not and for the benefit of any other person or entity. If the Client is acting in agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the Client's account and for such an account or entity as their own and not as an authorized representative or agent of such an account or entity as the Client.

2. Offer and acceptance

Any modification to the TC or any product or service description, budget or schedule in writing, will only be effective in the order acknowledged, unless it is an agreement to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier releases additional content in accordance with the TC, Elsevier shall be entitled to modify the TC if necessary, to reflect the additional content.

3. Execution and modification of the order

If the Client shall enter into any agreement with any third party product or service provider such sale may be subject to additional terms.

4. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing, the price for the Products and Services subject to the TC shall be exclusive of all taxes, duties and other levies imposed on the sale or supply of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide the Client with VAT registration number or other tax identification number applicable in the country of destination. Unless otherwise agreed in writing, the Client shall be solely responsible for ensuring proposed advertising copy is received at Elsevier in electronic form (or such other forms as specified by Elsevier) and within the relevant deadline set by Elsevier (the "Closing Date"). Where copy is received late or not at all, Although Elsevier will endeavour to do so, Elsevier shall not be responsible for the inclusion in the advertisement of any text, information or other material ("the Closing Date"). Where copy is received late or not at all, although Elsevier will endeavour to do so, Elsevier shall be entitled to reject such text, information or other material. Where copy is received late or not at all, although Elsevier will endeavour to do so, Elsevier shall be entitled to reject such text, information or other material.
