JACC: Cardiovascular Imaging

Overview

This journal will publish original clinical research articles employing noninvasive and invasive imaging techniques including, Echocardiography, CT, CMR, nuclear, optical imaging and cine-angiography. Additional content will emphasize imaging for the practicing cardiologist, advocacy, practice management and state of the art reviews.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to all offers, proposals, made and issued by Elsevier and any third party or agent to you ("the Client") relating to the products and services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between you and Elsevier, except for any additional agreement executed in writing by authorized representatives of Elsevier.

2. Applicability of law
The terms and conditions of this TC are subject to the prevailing laws of the place of supply. If any part of this TC is declared to be void, it shall be severable from the rest of the terms of this TC.

3. Amendment and modification
Any modifications to the order or this TC shall be binding on the parties only if executed in writing by a duly authorized representative of Elsevier and signed by an authorized signatory of Elsevier.

4. Applicability of the TC
The Client shall be deemed to have acknowledged and agreed to the terms and conditions of this TC by way of placing an order for products or services from Elsevier. All products and services provided by Elsevier are subject to the terms and conditions of this TC. No variation in the terms and conditions of this TC shall be binding on Elsevier unless in writing and signed by Elsevier.

5. Payment
Unless otherwise agreed in writing, payments shall be effected within thirty (30) days from the invoice date in the currency invoiced. If payment is not made within the thirty (30) days period, the Client shall pay interest at the prevailing interest rate on the outstanding balance from the date of the invoice until the date of payment.

6. Taxes
The Client shall be responsible for payment of all taxes, duties, levies, and similar charges as may be applicable in respect of the Products and Services. The Client shall also be responsible for any and all taxes, duties, levies, and similar charges as may be applicable by any one or more of the various taxing authorities in the Client's jurisdiction.

7. Intellectual property
Copyright and other intellectual property rights to all Elsevier proposals, publications and other products or services shall remain with Elsevier unless agreed otherwise in writing.

8. Liability and claims
Elsevier does not warrant that the Products and Services will meet the Client's requirements or will be error-free, will operate continuously in accordance with the specification, or will be free from defects. Elsevier shall not be liable for any loss or damage, whether direct or indirect, arising from the use of the Products and Services.

9. Force majeure
Neither party shall be liable for any failure to perform its obligations under this TC if such failure is caused by circumstances beyond its control, including but not limited to, Acts of God, war, civil or military conflict, strikes, epidemics, embargoes, or other acts or circumstances beyond its control. The party subject to an event of force majeure shall use good faith efforts to comply as closely as possible with its obligations set forth in this TC, and the other party may, in its sole discretion, terminate the TC if the force majeure continues for more than thirty (30) days.
