JACC: Basic to Translational Science

Overview

JACC: Basic to Translational Science, an open access journal, serves a forum for advancing the field of Translational Cardiovascular Medicine, and as a platform for accelerating the translation of novel scientific discoveries into new therapies that improve clinical outcomes for patients affected with or at risk for Cardiovascular Disease. Thematic areas of interest include pre-clinical research; clinical trials; personalized medicine; novel drugs, devices, and biologics; proteomics, genomics and metabolomics; and early phase clinical trial methodology.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to proposals, orders, invoices, and associated documents issued by Elsevier to any third party or agent of the Client ("the Client") relating to the products and services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between Elsevier and the Client. These terms and conditions are business propositions. Any altered terms and conditions proposed by the Client shall not apply unless agreed in writing and signed by an authorized representative of Elsevier. Nothing in the TC will extinguish or limit Elsevier’s liability for fraudulent misrepresentation, breach of statutory duty, personal injury or death caused by Elsevier’s negligence or any other matter for which Elsevier is legally responsible.

2. Interpretation

These terms and conditions shall be interpreted in accordance with the law of England and Wales and the English courts shall have jurisdiction to settle any dispute arising in connection with these terms and conditions, including any matter relating to the formation thereof.

3. Execution and modification of the order

Earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All product orders are accepted subject to availability of the ordered Products, unless otherwise agreed in writing by Elsevier or its authorized representative. Where a quoted rate for volume is not applied, Elsevier shall be entitled to charge the Client for any Products or Services supplied in excess of the quoted rate.

4. Liability and claims

Elsevier’s maximum liability for any breach of its obligations under the TC shall be the amount actually remitted to Elsevier, net of all taxes, equal to the amount invoiced or otherwise due. The Client will promptly furnish Elsevier with the official receipt of payment of these taxes to the appropriate taxing authority. All financial transactions must be settled in the currency of the applicable Elsevier invoice. The Client shall be solely responsible for settling any foreign exchange-related transactions that are necessary to enable transactions to be conducted in a foreign currency. Elsevier reserves the right to suspend or terminate delivery or performance of the TC if the Client has not provided the necessary foreign currency.

5. Execution and modification of the order

Earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All product orders are accepted subject to availability of the ordered Products, unless otherwise agreed in writing by Elsevier or its authorized representative. Where a quoted rate for volume is not applied, Elsevier shall be entitled to charge the Client for any Products or Services supplied in excess of the quoted rate.

6. Client acknowledges that a higher price would be payable for the Products or Services but for such limitations. The Client agrees that the possibility that Elsevier’s obligations are to be limited in accordance with these terms and conditions and the charges have been agreed accordingly. The Client acknowledges that Elsevier’s liability is to be limited in accordance with these terms and conditions and Elsevier shall not be liable for any loss or damage caused by the failure of Elsevier to provide the Products or Services.

7. Limitation of client’s remedies

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in such activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers in respect of all amounts due and payable under the TC. The Client shall not order the quoted volume, Elsevier shall be entitled to charge the Client for any Products or Services supplied in excess of the quoted volume. If the Client orders in excess of the quoted volume, Elsevier shall be entitled to charge the Client for any Products or Services supplied in excess of the quoted volume. If the Client orders in excess of the quoted volume, Elsevier shall be entitled to charge the Client for any Products or Services supplied in excess of the quoted volume.

8. Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier reserves the right to assign the TC, either in whole or in part, to any third party without the prior written consent of the Client. No assignment by the Client will be effective unless made in writing and signed by an authorized representative of Elsevier.
