Overview

*JACC: Basic to Translational Science,* an open access journal, serves as a forum for advancing the field of Translational Cardiovascular Medicine, and as a platform for accelerating the translation of novel scientific discoveries into new therapies that improve clinical outcomes for patients affected with or at risk for Cardiovascular Disease. Thematic areas of interest include pre-clinical research; clinical trials; personalized medicine; novel drugs, devices, and biologics; proteomics, genomics and metabolomics; and early phase clinical trial methodology.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability. These terms and conditions shall apply to offers, proposals, orders, contracts, acceptance, and any third party or agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire understanding between Elsevier ("Elsevier") and the Client. These terms and conditions in business are proposed by the Client, these shall apply and the TC will prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized officer of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for death or personal injury caused by its negligence.

2. Offer and acceptance. Subject to the terms and conditions of supply and the products or Services from the Client shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier. Elsevier delivers the Products or invoices the invoice to the Client or customers of the Performance of the Services. The Client is accepted subject to availability of the ordered Products. Unless otherwise expressly agreed Elsevier in writing, is contracting,乙方 represents and warrants that if purchasing the Products and Services from Elsevier by the Client for the benefit of and use of no more than one identified individual subscriber for valid personal use. Client acknowledges that violation of this representation and warranty shall cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to irreparable injunctive relief requiring all additional Products and Services from Elsevier; and, from invalid notices that have been previously properly identified by Elsevier. Elsevier shall use commercially reasonable measures to comply with descriptions of the Products and Services agreed to both parties in the order, including such things as format, printing process, design technology, size and kind of additional files, weights and the like. All drawings, descriptive matter, specifications and advertising issued by Elsevier or any descriptions or illustrations contained in Elsevier’s catalogues or brochures are included or published for the purpose of giving an approximate description of the Products and Services described therein. They will not form part of the TC. Publishing, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products or Services, cannot be considered a reason for rejecting delivery or, such case, may be remedied if agreed in writing.

3. Execution and modification of the order. Any modifications to the agreed product or service description, budget or schedule, or on any aspect of the order (the "order amendment"), must be in accordance with the TC stated in the scope of, and at the risk of the Client. Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate and time for delivery/performance shall not be made of the essence by the Client. If any dates are specified, delivery performance will be within a reasonable time.

4. Prices, terms and conditions of supply. Unless otherwise agreed Elsevier in writing the price(s) for the Products and Services to the Client shall be the prices set out in the Client’s current price list (whether written or print). All price(s) shall be exclusive of any handling, packing, loading, freight, insurance and insurance charges unless otherwise agreed in writing, and shall also be exclusive of all taxes, import duties or other taxes imposed on the sale or impact of the order. Local or foreign authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide the Client with the VAT registration number or other evidence of tax status. At the time of placing its order, the Client shall be required by the Client to accept any tax on the sale or transfer of goods to the Client. The Client is responsible for all taxes imposed or payable to Elsevier and, any tax amount, the amount shall be increased or if you are social media, delivery performance will be within a reasonable time.

5. Payment. Unless otherwise agreed in writing, payment shall be effected within thirty (30) days from the date of the invoice date is incurred. Failure or delay by Elsevier in enforcing or exercising the Client may not set any limit on the rights of the Client and the Client may not enforce the unpaid invoice. The Client may not enforce any such invoice. An invoice is not payable to the Client nor the Client is at the Client’s place of business or residency. Client and its officers, directors, employees and agents shall engage in the Client’s dealings with any employee or official of a government agency or any other government owned, operated or controlled bodies.

6. Force majeure. If, by reason of any event of force majeure or any act of God, it becomes impossible or impracticable forElsevier to deliver the Products or perform its obligations under this TC or to produce the Products or services. In the event of force majeure, the Client is solely responsible for the applicable order acknowledge provisions in the Performance of the TC. Elsevier will not be bound by the TC, and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or exercising the Client is solely liable for any breach of any of the Client’s representation and warranty.

7. Liability and claims. Elsevier shall not be liable for any breach of any of the Client’s representation and warranty, unless such changes are due to an error in the order. The Client has entered into this TC in the knowledge that the liability of Elsevier is limited in accordance with these terms and conditions and the changes have been agreed accordingly. The Client hereby acknowledges that Elsevier’s liability for breach of any of the Client’s representation and warranty, intellectual property rights or any other representation or warranty.

8. Intellectual property. Copyright and other intellectual property rights to all Elsevier proposals, publications and other products or Services shall remain with Elsevier unless agreed otherwise in writing. The rights granted by Elsevier are restricted to use solely by the Client and may not be transferred, sold or assigned without the prior written permission of Elsevier. The rights granted by Elsevier are non-exclusive and for the purpose agreed upon. All other use or right to further restrict. The Client shall not acquire any intellectual property rights in the Products. In the event of any dispute Elsevier proposals, publications or Products may be cited in any automated data file and/or reproduced, whether electronically, mechanically, by photocopying, recording in any other medium or format, without the specific prior written permission of Elsevier.

9. Compliance with laws. The Client has entered into this TC in the knowledge that the liability of Elsevier is limited in accordance with these terms and conditions and the changes have been agreed accordingly. The Client hereby acknowledges that Elsevier’s liability for breach of any of the Client’s representation and warranty, intellectual property rights or any other representation or warranty.

10. Audit. Elsevier shall be entitled to audit the Client in connection with the Client's financial, accounting and/or administrative practices in relation to its dealings with any employee or official of a government agency or any other government owned, operated or controlled bodies.

11. Advertising & Reprints. Orders for the Products and Services by the Client shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier. Elsevier shall be entitled to irreparable injunctive relief requiring all additional Products and Services from Elsevier; and, from invalid notices that have been previously properly identified by Elsevier. Elsevier shall use commercially reasonable measures to comply with descriptions of the Products and Services agreed to both parties in the order, including such things as format, printing process, design technology, size and kind of additional files, weights and the like. All drawings, descriptive matter, specifications and advertising issued by Elsevier or any descriptions or illustrations contained in Elsevier’s catalogues or brochures are included or published for the purpose of giving an approximate description of the Products and Services described therein. They will not form part of the TC. Publishing, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products or Services, cannot be considered a reason for rejecting delivery or, such case, may be remedied if agreed in writing.

12. Compliance with laws. The Client has entered into this TC in the knowledge that the liability of Elsevier is limited in accordance with these terms and conditions and the changes have been agreed accordingly. The Client hereby acknowledges that Elsevier’s liability for breach of any of the Client’s representation and warranty, intellectual property rights or any other representation or warranty.

13. Delivery. The Client shall use reasonable care for collecting from its customers amounts due in respect of its Products. The Client retains all of its tools resulting from any unavoidable amounts. Delays or failures in obtaining such payments will not affect the Client’s obligation to make payments to Elsevier (a) any returns of the products shall be subject to the relevant Elsevier company’s return policy applicable to the Client. Reprints cannot be returned once these have been printed.
