These terms and conditions shall apply to all proposals, offers and agreements made between Elsevier and the Client and to any and all products or goods ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). They supersede any previous representations made by Elsevier. For the purposes of these terms and conditions, Elsevier shall be deemed to mean the Elsevier company or such other company as Elsevier may from time to time notify to the Client in writing. The Client shall provide Elsevier with evidence of tax exemption to Elsevier at the time of placing its order. If, under the laws of the territory in which the Client is located, the Client is required to charge and pay sales tax, value-added tax, or any other similar tax on the sale of the Products and Services, the Client shall pay the required tax to Elsevier in addition to any other sums due under the TC.
