Arthroscopy, Sports Medicine, and Rehabilitation

Overview

Arthroscopy, Sports Medicine, and Rehabilitation (ASMAR) is an open access journal that aims to peer review and publish clinical and basic science articles of interest to health care providers and scientific researchers. Brought to you by the same editorial team as *Arthroscopy* and *Arthroscopy Techniques*, ASMAR broad in scope and covers topics ranging from arthroscopic and related to surgery to orthopaedic and primary care sports medicine, physical therapy and rehabilitation, athletic training, musculoskeletal imaging, economic and large database analyses and public health.

**ELSEVIER TERMS AND CONDITIONS OF SUPPLY**

1. **Applicability**
   These terms and conditions shall apply to all offers, proposals and agreements made by Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties for the "TC". The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier may at its absolute discretion vary the TC without notice to the Client.

2. **Offer and acceptance**
   Deliveries shall be made in accordance with the TC and the Client's order. The Client shall notify Elsevier of any non-conformity with the TC, the order and/or the deliverables forthwith upon discovery. Elsevier shall be entitled to rectify any such non-conformity at Elsevier's discretion. Elsevier reserves the right, at its absolute discretion, to vary the TC without notice to the Client.

3. **Delivery**
   Delivery dates are estimated times for delivery and shall be made to the Client's order. If, under the law or territory in which the Client is located, the Client is entitled to the right to cancel the Products, the Client is required to notify Elsevier at any time prior to the TC to accept the TC, the amount of the payment will be automatically increased to fully reflect such notional amount. If the amount actually remitted to Elsevier, net of all taxes and fees, is less than the amount remitted to Elsevier, net of all taxes and fees, Elsevier shall be entitled to recover the difference from the Client.

4. **Payment**
   Payment for all Extensions and Variation Orders shall be made to Elsevier within thirty (30) days of the invoice date in full or such smaller amount as may be agreed in writing by Elsevier. No acceptance by Elsevier of any payment for any part of the Products or Services shall be deemed to be a waiver of Elsevier's rights in respect of any remaining unpaid amount.

5. **Force majeure**
   In the event of force majeure, either party shall be relieved of its obligations set forth in this TC, to the extent it is directly attributable to the force majeure event. Force majeure shall include any event that is beyond the reasonable control of a party and which makes it, wholly or partly, incapable of fulfilling its obligations hereunder in a timely manner.

6. **Liability and claims**
   Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.

7. **Intellectual property**
   The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.

8. **Liability and claims**
   Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.

9. **Force majeure**
   In the event of force majeure, either party shall be relieved of its obligations set forth in this TC, to the extent it is directly attributable to the force majeure event. Force majeure shall include any event that is beyond the reasonable control of a party and which makes it, wholly or partly, incapable of fulfilling its obligations hereunder in a timely manner.

10. **Advertising & Reprints**
    The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.

11. **Distribution**
    The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.

12. **Reprints**
    The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.

13. **Pricing & taxes**
    The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.

14. **General**
    The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall not be liable for any action on the part of the Client or its agents, contractors, licensees, servants or employees which is or may be deemed to be a breach of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity. The Client shall indemnify Elsevier against any claims, demands, actions, costs, expenses or liabilities of any person or entity which relates to any misappropriation of any copyright, patent, trade secret, music, image, or other proprietary or property right of any other person or entity.
