**Elsevier Terms and Conditions of Supply**

1. **Applicability**
   - These terms and conditions apply to the supply of products and/or services made by Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier (the "Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreements and representations made by Elsevier or any third party in writing.

2. **Compliance with laws**
   - The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and generally prevailing custom and practice. The Client is solely responsible for collecting from its customers amounts due in respect of the Products and Services and taking reasonable steps to ensure that the Client's own losses resulting from any uncollected amounts.

3. **Liability and claims**
   - Elsevier shall not be liable for any breach of the TC, unless it is caused by Elsevier's negligence. Elsevier shall not be liable for any indirect or consequential loss or damage, including but not limited to loss of profit, under any provision of the TC and to avoid the effects of such event to the extent possible.

4. **Price, terms and currency**
   - Unless otherwise agreed by Elsevier in writing, the prices for the Products and services supplied under the TC are exclusive of all taxes, import duties or other levies imposed on the sale of such Products or Services. The Client agrees to pay all sums due under the TC, inclusive of all taxes, import duties or other levies imposed on the sale of such Products or Services.

5. **Payment**
   - Payment will be made in accordance with the terms of the TC. All sums due under the TC shall be paid within thirty (30) days of the invoice date in the currency in which the invoice is denominated. Failure or delay in paying any sum due under the TC will entitle Elsevier to apply any monies received by the Client, to clear any of the Client's outstanding debts to Elsevier.

6. **Delivery**
   - Delivery of the Products and/or Services will be made to the address stated in the TC or as otherwise agreed in writing, but Elsevier may make delivery in installments, and in such event, each installment shall be treated as a separate contract and acceptance of any one installment shall not constitute acceptance of or waiver of any other installment. The Client will have the right to inspect the Products and Services immediately upon delivery and to reject any nonconforming Products or Services. Late delivery will not entitle the Client to reject the Products or Services, or to claim damages or any other remedy regardless of any contractual or statutory cause of action.

7. **Warranties**
   - Elsevier warrants that the Products and/or Services supplied under the TC will be delivered free from any defects or flaws that materially impair their use or performance and that the Products and/or Services will conform in all material respects to the descriptions or samples specified in the TC. If any delivery of the Products or Services is not made in conformity with the TC, the Client's sole and exclusive remedy shall be to return such Products or Services to Elsevier at the Client's expense and Elsevier will at its option either repair or replace the nonconforming Products or Services. The Client shall, at Elsevier's request, examine all Products and Services at the Client's risk and expense and report any defects or flaws to Elsevier within ten (10) days after delivery.

8. **Discontinuance or non-performance**
   - If Elsevier determines that it is impracticable or unlawful for Elsevier to supply any Product(s) or Service(s) under the TC, Elsevier may elect to either cancel the original order or, if the Client so requires, to supply a Product(s) or Service(s) which is/are as nearly comparable in every respect (including price), as is reasonably available to Elsevier at the time. If Elsevier elects to supply a comparable Product(s) or Service(s), the Client agrees that such a Product(s) or Service(s) will satisfy the Client's legal and equitable rights or interests under the TC.

9. **Government contract**
   - In the event of a claim for damages under the TC, the Client shall notify Elsevier in writing as soon as possible but in any event within thirty (30) days after the Client becomes aware of the existence of such claim. The Client shall provide Elsevier with all information and assistance necessary for Elsevier to contest any claim which the Client may have against any Government Official or the government, and to require the Client to defend Elsevier and to indemnify Elsevier against any loss, damages, claims, or causes of action, including reasonable legal fees and expenses, resulting from any claim which the Client may have against any Government Official or such government.

10. **Plagiarism**
    - The Client warrants to Elsevier that all work is the Client's own and that the Client has the necessary rights to supply the Products and/or Services under the TC.

11. **Publication**
    - Elsevier reserves the right to refuse to accept any non-compliance with the requirements of the TC.

12. **Compliance with laws**
    - The Client agrees that it will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such official or entity to influence the Client or any party to which the Client is connected in any matter or business transaction to which Elsevier is a party.

13. **Applicability**
    - Any failure or delay by Elsevier in enforcing or attempting to enforce any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC.

14. **Applicability**
    - If any provision of the TC is determined to be invalid or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, or unenforceability, be severable and the remainder of such provision shall continue in full force and effect. If any such section or provision is invalid or unenforceable, it may be modified to the extent necessary to make it valid and enforceable.

15. **Applicability**
    - The Client shall not assign, transfer, delegate or subcontract any part of the TC without Elsevier's prior written consent.

16. **Applicability**
    - The Client agrees that the products and/or services supplied under the TC are to be used only for the Client's own account and use and not on behalf of any other person or entity. If the Client assigns, transfers, delegates or subcontracts any part of the TC, it shall do so in a manner that fully satisfies Elsevier's requirements.
