These terms and conditions shall apply to all offers, proposals, and agreements made by Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties ("the TC"). They supersede any previous understandings or communications between the parties.

3. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing the price/rates for the Products and/or Services shall be those set out in the relevant Elsevier order acknowledgement, unless the Client has agreed to pay a different rate. 8. Liability and claims
