ELSEVIER TERMS AND CONDITIONS OF USE

1. Applicability

These terms and conditions shall apply to all proposals, price quotes and orders by and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the TC. They supersede any previous supply terms and conditions. For the purposes of this Agreement, "Products and/or Services" shall mean products and services supplied by Elsevier to the Client under the TC, including without limitation, the

Descriptions and illustrations of the Products and Services shall be subject to change without notice, and Elsevier reserves the right to make changes in any of the TC. If the Client is dissatisfied with any change, it may terminate the TC. Elsevier shall not be liable for any delay in delivery caused by the change.

12. Sales and Purchases

Unless otherwise agreed by Elsevier in writing, the Client shall not assign, sub-license, or otherwise transfer any part of the TC to any third party without Elsevier's prior written consent. If the Client assigns, sub-licenses, or otherwise transfers any part of the TC to any third party, the Client shall ensure that the third party is bound by the same obligations as the Client in respect of the TC and agrees to be bound by the same terms and conditions as the Client.

11. General and Termination

The Client shall not, during the term of the TC and for a period of three (3) years thereafter, directly or indirectly solicit any employee of Elsevier, to the detriment of Elsevier. 9. Force majeure

The Client is solely responsible for collecting, or paying to Elsevier, in respect of its sale of the Products or Services, all other sums which are or which become due to Elsevier from the Client on any account. From the due date of the invoice to the date of payment in full, interest at the rate applicable to unsecured debt in the relevant jurisdiction shall be charged on all sums outstanding, together with any expenses incurred by Elsevier in recovering such sums.

5. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing, the Client will pay in full and without deduction or set-off any amounts due and owing to Elsevier in respect of the Products and Services as set out in the TC in the currency and place of payment specified in the TC. All amounts payable to Elsevier are exclusive of any tax, duty, or any other charges.

7. Title and risk

Legal and beneficial title in any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until all sums due and owing to Elsevier with respect to the Products have been paid. Until such sums are paid, the Client may not resell the Products or assign any of its rights in respect of the Products. The risk of loss or damage to the Products shall pass to the Client when the Products are delivered to the Client.
