Overview

The Journal of Pain publishes original articles on all aspects of pain, including clinical and basic research, patient care, education, and health policy. Articles selected for publication in the Journal are most commonly reports of original clinical research or reports of original basic research. In addition, invited critical reviews, including meta analyses of drugs for pain management, invited commentaries on reviews, and exceptional case studies are published in the Journal. The mission of the Journal is to improve the care of patients in pain by providing a forum for clinical researchers, basic scientists, clinicians, and other health professionals to publish original research. 2018 Impact Factor 5.424

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability
Terms and conditions shall apply to all proposals, offers and agreements made between the Publisher and the Client (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). These terms supersede any previous supply terms and conditions for similar products or services, where the Client and the Publisher are parties to similar agreements. The Client hereby acknowledges that any order placed under the provisions of this TC and to avoid the effects of such event to the extent possible.

2. Offer and Acceptance
The Publisher shall not be bound by any offer or acceptance unless it is confirmed by the Client in writing. Any such confirmation shall be subject to all the terms and conditions contained in the TC, including all prices/rates and any other conditions or restrictions set forth in the TC.

3. Communication
The Publisher shall have the right to communicate with the Client in writing, or by any other means of communication, including electronic messaging, and such communication shall be subject to the terms and conditions of the TC, including all prices/rates and any other conditions or restrictions set forth in the TC.

4. Price, Taxes, and Currency
Unless otherwise agreed by Elsevier in writing or in the TC, the Products shall be sold or supplied by Elsevier at the prices/rates contained in the TC. The Client shall be responsible for the payment of all taxes, duties, and other governmental charges or impositions levied or imposed in connection with the sale or supply of the Products or Services. The Client shall be responsible for the payment of any taxes or duties that may be imposed upon or levied on the sale or supply of the Products or Services, or any of the elements thereof.

5. Payment
The Client shall make all payments to Elsevier in accordance with the terms and conditions of the TC, and Elsevier shall be entitled to retain any amounts not paid in accordance with such terms and conditions.

6. Audit
The Client shall allow Publisher's authorized representative at any reasonable time to have access to Client's premises (or any of those of its customers or other third parties as the case may be) for the purpose of inspecting Client's facilities, books and records to verify Client's compliance with the TC.

7. Intellectual property
Copyright and all other proprietary rights in the Products and Services and all copies thereof, whether made by the Publisher or any of its agents or representatives, shall be and remain the property of Elsevier, or its licensors. The Client shall have no rights or licenses in or under such copyrights or other proprietary rights, except as specifically provided in the TC.

8. Liability and claims
The Client agrees to indemnify and hold Elsevier harmless from and against any and all claims, damages, losses, costs, and expenses (including reasonable attorneys' fees) arising out of or in connection with the Client's use or misuse of the Products or Services, or the Client's failure to comply with the terms and conditions of the TC.

9. Force majeure
Neither party shall be liable for any failure to perform its obligations under the TC if such failure is due to acts of God, strikes, labor difficulties, civil commotions, insurrections, riots, wars, acts of terrorism, or other causes beyond its reasonable control, provided that the non-performing party promptly notifies the other party of such event of force majeure and gives the other party an opportunity to prevent or mitigate the effects of such event.

10. Advertising & Reprints
The Client shall not be entitled to any discount, rebate, or other reduction in price unless the Client has ordered the Products or Services in accordance with the terms and conditions of the TC, including any prices/rates or other conditions or restrictions set forth in the TC.

11. Audit
The Publisher shall have the right to require the Client to furnish, at any reasonable time, to the Publisher or its representatives, such information, documents, or records as the Publisher may reasonably require for the purpose of determining the Client's compliance with the TC.

12. Compliance
The Client shall be responsible for complying with all applicable laws, rules, regulations, and other requirements, including any of Client's advertising and/or terminate this TC if Elsevier determines, in its sole discretion, that the Advertising shall be subject to any applicable law, rule, or regulation.

13. Cancellations & Returns
In the event of cancellation of an order or return of any Products or Services, the Client shall be responsible for all costs and expenses incurred by Elsevier in connection with such cancellation or return, including any costs incurred in connection with the delivery, handling, and storage of such Products or Services.

14. General
The Client shall have no right or license to any trade secrets, trademarks, or other proprietary rights or information of Elsevier, except as specifically provided in the TC. The Client shall not use any Confidential Information, Confidential Data, or Confidential Technology for any purpose other than for the business of the Client, and the Client shall not disclose any Confidential Information, Confidential Data, or Confidential Technology to any third party without the prior written consent of Elsevier.

This document contains the complete terms and conditions of supply of Elsevier to the Client. Any variation to the terms and conditions of supply must be in writing and signed on behalf of Elsevier. No variation or waiver of any provision of this TC will be effective unless signed by an authorized representative of Elsevier. No course of dealing or course of conduct between the parties shall be deemed to modify any of the provisions of this TC.
