Overview

JSES Reviews, Reports and Techniques is an open access and online-only journal that concentrates exclusively on medical, surgical, and physical research and best practice on treating injury/disease of the upper extremity, including the shoulder girdle, upper arm, and elbow. This publication is an official member of the Journal of Shoulder and Elbow Surgery (JSES) family of journals and is sponsored by eleven leading upper extremity orthopedic organizations globally. Clinically oriented and peer-reviewed, JSES Reviews, Reports, and Techniques provides an international forum for the exchange of information that focuses on clinical and basic science review articles, case reports, and novel surgical techniques.

2. Liability and claims

The Client nor any of its officers, directors, employees or agents shall pay, offer, give, promise or authorize the making of any gifts of value to any commercial contact or Government Official for the purpose or intent to induce such person to use his/her relation to its dealings with any employee or official of a government agency or any other government owned, operated or run universities, hospitals and libraries), or political parties or candidates (jointly “Government Official”). Neither RELX, RELX Group and/or its subsidiaries (collectively “RELX”) nor any of their officers, directors, employees, agents, affiliates, representatives or suppliers shall be liable for any loss or damages suffered by the Client arising out of the bribery or any attempt by any such RELX party to effect a bribe or arrange for the making of any such gifts of value to any commercial contact or Government Official. RELX shall not be liable for any costs, damages or expenses (including reasonable legal fees) resulting from any investigation by any governmental authority or private party of any claim or allegations that RELX, RELX Group and/or any of its officers, directors, employees, agents, affiliates, representatives or suppliers have violated any applicable anti-bribery laws, rules, regulations, or other applicable anti-bribery requirements in any country, jurisdiction or agency, or that any RELX party has violated any applicable anti-corruption laws, rules, regulations, or other applicable anti-corruption requirements in any country, jurisdiction or agency. The RELX Code of Conduct sets forth the policies and procedures that RELX Group takes to prevent and detect and correct violations of applicable anti-bribery and anti-corruption laws, rules, regulations, and other applicable requirements in any country, jurisdiction or agency.

7. Intellectual property

RELX Suppliers Code of Conduct and Applicable Laws. RELX users are required to ensure that the Products and Services are used only for legitimate business and ethical practices in commercial operations and in the performance of this TC. RELX reserves the right to terminate this TC if the Client engages in any conduct that does not comply with the RELX Suppliers Code of Conduct or Applicable Laws. The Client is responsible for ensuring that all of its use of the Products and Services is consistent with the RELX Suppliers Code of Conduct and Applicable Laws. The Client shall not use the Products and Services for any purpose that RELX determines to be improper, unethical, or inconsistent with the RELX Suppliers Code of Conduct and Applicable Laws.

13. Cancellations & Returns

11. Advertising & Reprints

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the jurisdiction of the courts of that country for the purpose of this TC.

2. Offer and acceptance/ Description

The terms and conditions which are necessary to make payments to Elsevier under the TC, including without limitation all bank charges and foreign exchange charges.

12. Distribution

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products or services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full control and solely keeping all of its own losses from any uncollected amounts. Delay or failure in obtaining such payments will not affect the Client’s obligation to make payments to Elsevier under clause 5.

3. Execution and modification of the order

Any modifications to the agreed product or service description, budget, schedule or set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act in the name of, to the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery/ performance of the Services are intended to be an estimate and time for delivery/performance shall not be made of the essence by notice. If no dates so specified, delivery/performance will be within a reasonable time.

Prices, terms and currency

Unless otherwise agreed by Elsevier in writing in the same order confirmation that sets forth all key terms, conditions and offers, the acceptance of this TC by the Client will be treated as an offer by Elsevier to supply the Products and Services to the Client. The Client shall accept the TC by executing it in writing and signing it as authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or such a sale may be subject to additional licence terms.

2. Application of the terms and conditions

The Client acknowledges that violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to discontinue all recipients of Products and Services from Elsevier, including all actual products that have not previously properly identified by Client. Elsevier will use commercially reasonable efforts to comply with descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing, processes, design, size and kind of address lines, weights and the like. All drawings, descriptive matter, specifications and advertising issued by Elsevier or any descriptions or illustrations contained in Elsevier’s catalogues or brochures are issued as published for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for repudiating or rescinding, as the case may be, the purchase thereof.
