These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the “TC”). 3. Execution and modification of the order
Any modifications to the agreed product or service description, budget, schedule or set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier renders additional services in connection with the performance of the TC, Elsevier shall at the Client’s request, and at the Client’s cost, and subject to the availability of the resources, provide the Client with an estimate of the cost of such services or work. If no estimate is provided, the Client shall be liable for the cost of all additional services rendered by Elsevier.

4. Prices, taxes and currency
