Arthroscopy Techniques

Overview

Arthroscopy Techniques is a peer-reviewed electronic journal that aims to provide arthroscopic and related researchers and clinicians with practical, clinically relevant, innovative methods that could be applied in surgical practice. Brought to you by the same editorial team as Arthroscopy, Arthroscopy Techniques combines precise text, clear figures, and educational videos in a multimedia format designed to introduce surgical modifications in a manner whereby they may be thoroughly and critically evaluated.

**ELSEVIER TERMS AND CONDITIONS OF SUPPLY**

1. **Applicability**
   - These terms and conditions shall apply to all offers, proposals, agreements made between the Client and Elsevier (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreements or understandings between the parties.

2. **Intellectual property**
   - Elsevier shall own all the rights in the Products to the extent not prohibited by law. Clients shall own all rights to the Sensitive Information it provides to Elsevier in connection with its orders for Products and/or Services.

3. **Execution and modification of the order**
   - Any modifications to the agreed product or service description, budget or schedule, as set out in the order, may result in a re-evaluation of the price and/or delivery schedule at Elsevier’s discretion.

4. **Compliance with laws**
   - All Products and/or Services shall be provided in full compliance with all applicable laws, rules, industry codes, regulations, and generally prevailing custom and practice. Any breach of such laws, rules, industry codes, regulations, or practices shall entitle Elsevier to terminate the TC and any monies paid thereunder.

5. **Liability and claims**
   - In no event shall Elsevier be liable for any of the following losses which could have been avoided by the Client or any other person or entity: (i) any loss or damage, whether direct or indirect, to the Products or Services or any part thereof; (ii) the Client’s loss or damage arising out of or related to any provision of the Products or Services or any part thereof; or (iii) any other liability, loss, damages, claims, or causes of action, including reasonable legal fees and expenses incurred by Elsevier, arising out of or related to any breach of any representations or warranties, or misappropriation of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right, false advertising, unfair competition, misrepresentation, violation of privacy or rights of publicity, violation of anti-discrimination law or regulations, or any other right of any person or entity. (v) Elsevier’s liability shall be limited to the extent to which it has knowledge of the existence of the loss, condition, or defect prior to the receipt of the Products or Services or, if the Client has knowledge of the existence of the loss, condition, or defect prior to the receipt of the Products or Services, to the extent that the Client fails to promptly notify Elsevier of the loss, condition, or defect.

6. **Distribution**
   - If the Client is an authorized reseller, reproduction, or resale of the Products or any other products of Elsevier or its affiliates, or its own products on behalf of other persons or entities, shall not be permitted without Elsevier’s prior written consent. If the Client is not an authorized reseller, reproduction, or resale of the Products or any other products of Elsevier or its affiliates, or its own products on behalf of other persons or entities, shall not be permitted without Elsevier’s prior written consent. If the Client is not an authorized reseller, reproduction, or resale of the Products or any other products of Elsevier or its affiliates, or its own products on behalf of other persons or entities, shall not be permitted without Elsevier’s prior written consent.

7. **Compliance with laws**
   - All Products and/or Services shall be provided in full compliance with all applicable laws, rules, industry codes, regulations, and generally prevailing custom and practice. Any breach of such laws, rules, industry codes, regulations, or practices shall entitle Elsevier to terminate the TC and any monies paid thereunder.

8. **Survival**
   - The terms of the TC that survive the termination or completion of the TC shall remain in effect until fully performed.
