Overview

Arthroscopy Techniques is a peer-reviewed electronic journal that aims to provide arthroscopic and related researchers and clinicians with practical, clinically relevant, innovative methods that could be applied in surgical practice. Brought to you by the same editorial team as Arthroscopy, Arthroscopy Techniques combines precise text, clear figures, and educational videos in a multimedia format designed to introduce surgical modifications in a manner whereby they may be thoroughly and critically evaluated.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability
These terms and conditions shall apply to orders for products and services agreed between Elsevier and its customers (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties for this TC. These terms specify any previous agreements between the parties for this TC. The parties agree that no terms and conditions of the Client shall alter or affect these terms.

2. Offer and acceptance
Orders for products and services from the Client to Elsevier shall be deemed to be an offer to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until written acknowledgment of order in issued by Elsevier or [Further] Elsevier delivers the Products or issues the invoice to the Client or confirmation of performance of the Services for the Client. All product orders are subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products from Elsevier for its own use and not on behalf of any other person or entity. If the Client in any agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the Client's own use and not on behalf of any other person or entity, for purposes of resale to the Client.

3. Execution and modification of the order
Modifications to the terms of the present order or description, schedule, budget or other terms, if any, for the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, design and size, amount and address, weights and the like. All drawings, descriptive matter, specifications and advertising by Elsevier or its employees or other descriptions or illustrations contained in Elsevier's catalogues or brochures are issued or published for the purpose of giving an approximate idea of the description and Specifications of the Products and Services described therein. They will form part of the TC. Publishing errors, including, but not limited to typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for refusing delivery or, as the case may be, modifying the agreed price.

4. General
In so far as the Client shall have’avoided, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, invalidity, unenforceability, unreasonableness, or if the Client to void or unenforce such provision, to the full extent to which such provision is void or unenforceable, and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or performing its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is relieved of such obligations by reason of the force majeure event, such as labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, or inability to obtain supplies or services from any source or any other act or cause beyond the control of such party. The party subject to an event of force majeure shall use good faith efforts to comply as closely as possible with such obligations. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations. NOTHING IN THE TC SHALL BE CONSTRUED AS CREATING AN OBLIGATION TO INDEMNIFY THE OTHER PARTY AGAINST THE OTHER PARTY'S OWN NEGLIGENCE. ELSEVIER'S LIABILITY FOR ANY OTHER LOSS IMPUTABLE TO IT SHALL IN ANY EVENT BE LIMITED TO THE INVOICE VALUE OF THE PART OF THE TC conformed to (the "LTD"), TO THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS (i) Elsevier shall not be liable for any of the following losses which may be attributable to any breach or breaches of the Client's obligations under this TC: (a) loss of profits or loss of expected future business; (b) damage to reputation or goodwill; (c) any damages, costs or expenses; (d) any loss that was not foreseen by and was not in the contemplation of Elsevier at the time the TC was entered into; (e) loss suffered by any third party relating to the Client's breach of the TC; (f) any defects or errors in the Client's advertising content; (g) any defects or errors in the Client's advertising content; (h) any defects or errors in the Client's advertising content; (i) any defects or errors in the Client's advertising content; (j) any defects or errors in the Client's advertising content; (k) any defects or errors in the Client's advertising content; (l) any defects or errors in the Client's advertising content; (m) any defects or errors in the Client's advertising content; (n) any defects or errors in the Client's advertising content; (o) any defects or errors in the Client's advertising content; (p) any defects or errors in the Client's advertising content; (q) any defects or errors in the Client's advertising content; (r) any defects or errors in the Client's advertising content; (s) any defects or errors in the Client's advertising content; (t) any defects or errors in the Client's advertising content; (u) any defects or errors in the Client's advertising content; (v) any defects or errors in the Client's advertising content; (w) any defects or errors in the Client's advertising content; (x) any defects or errors in the Client's advertising content; (y) any defects or errors in the Client's advertising content; (z) any defects or errors in the Client's advertising content. The Client shall remain liable for any undisputed part of such invoice. Elsevier shall not, in any event, be liable to suspend delivery of the Products or Services unless the Client's account with Elsevier is in arrears for an amount representing a material breach of the Client's obligations under this TC.

5. Distribution
The Client shall make all reasonable efforts to secure and maintain advertising space in the designated publications for the insertion of the Advertising Content. The Client shall not be liable for any failures to such effect. The Client shall be entitled to apply any monies received by the Client, to clear any of the Client's outstanding debts to Elsevier. Unless otherwise agreed in writing, Elsevier shall send the Client a monthly invoice for the Advertising Content. The Client shall have the option of paying for the copy run in the previous issue. Elsevier reserves the right to withhold supply of the Products or Services to the Client where the Client is in arrears for any amount due.

6. Payment
Orders for the Products and Services shall be confirmed by Elsevier in writing. Payment shall be due and payable within thirty (30) days of the invoice date in the currency in which the order is denominated. Invoices shall be sent to the Client's address as shown on the order or any other address as nominated by the Client. Payments shall be made within thirty (30) days of the invoice date unless otherwise agreed in writing. If payment is not made within the agreed period, further supplies will be subject to advance payment before delivery.

7. Liability and claims
(3) are the subject of a claim asserted by an entity with respect to its trademarks, trade names, service marks, or other similar designations. In such event, Elsevier may either (i) publish alternative Advertising Content in consultation with the Client or (ii) refuse delivery or acceptance of such Advertising Content. Failure to deliver the full amount of Advertising Content agreed to be published by Elsevier may result in the Client being entitled to apply any monies received by the Client, to clear any of the Client's outstanding debts to Elsevier. The Client shall not be liable for any undisputed part of such invoice. Elsevier shall not, in any event, be liable to suspend delivery of the Products or Services unless the Client's account with Elsevier is in arrears for an amount representing a material breach of the Client's obligations under this TC.

8. Liability and claims
(3) are the subject of a claim asserted by an entity with respect to its trademarks, trade names, service marks, or other similar designations. In such event, Elsevier may either (i) publish alternative Advertising Content in consultation with the Client or (ii) refuse delivery or acceptance of such Advertising Content. Failure to deliver the full amount of Advertising Content agreed to be published by Elsevier may result in the Client being entitled to apply any monies received by the Client, to clear any of the Client's outstanding debts to Elsevier. The Client shall not be liable for any undisputed part of such invoice. Elsevier shall not, in any event, be liable to suspend delivery of the Products or Services unless the Client's account with Elsevier is in arrears for an amount representing a material breach of the Client's obligations under this TC.
