Arthroscopy Techniques

Overview

Arthroscopy Techniques is a peer-reviewed electronic journal that aims to provide arthroscopic and related researchers and clinicians with practical, clinically relevant, innovative methods that could be applied in surgical practice. Brought to you by the same editorial team as Arthroscopy, Arthroscopy Techniques combines precise text, clear figures, and educational videos in a multimedia format designed to introduce surgical modifications in a manner whereby they may be thoroughly and critically evaluated.

**ELSEVIER TERMS AND CONDITIONS OF SUPPLY**

**1. Applicability**
- These terms and conditions shall apply to all purchases, offers and agreements made between the Parties (the "Parties") for the purposes of the Agreement and any transactions arising therefrom. The Parties agree that all agreements or transactions entered into between the Parties shall be governed by these Terms and Conditions of Supply.

**2. Offer and acceptance**
- Any offer made by Elsevier to supply Products or Services shall be open from the date of issue of the offer to the acceptance of such offer by the Client. The Client accepts these Terms and Conditions of Supply in whole or in part by placing an order with Elsevier, or by taking any action which constitutes acceptance of the offer.

**3. Execution and modification of the order**
- Any modifications to the agreed product or service description, budget or schedule, as set out in the order, must be in written agreement and acknowledged in writing. Any such modifications shall be subject to terms and conditions as agreed by both parties in relation to any such changes.

**4. Prices, taxes and courses**
- Unless otherwise agreed by Elsevier in writing, the Products or Services shall be supplied by Elsevier at the price and in the currency specified in the order. Variations in the price may be charged if the Client changes any of its plans or requirements after acceptance of the order. The Client shall pay all amounts due to Elsevier within the time specified in the order. Any additional costs incurred by Elsevier in connection with the order shall be charged to the Client and included in the invoice.

**5. Payment**
- Payment for the Products or Services shall be made in accordance with the terms specified in the order. If payment is not made within the agreed time, interest may be charged on the outstanding balance at the rate specified in the order or at the rate prescribed by law. If payment is not made within the agreed time, Elsevier reserves the right to suspend or terminate the order or to charge interest on any overdue amount.

**6. Disposal of materials**
- The disposal of materials shall be in accordance with the terms and conditions stated in the order. If the Client requests the disposal of materials, the Client shall be responsible for any costs incurred by Elsevier in connection with the disposal.

**7. Audit**
- Elsevier reserves the right to audit the Client's accounts and the Client shall provide Elsevier with all information required for the audit. Any costs incurred by Elsevier in connection with the audit shall be charged to the Client.

**8. Delivery**
- Delivery of the Products or Services shall be in accordance with the terms specified in the order. If the Client requests delivery of the Products or Services at the Client's chosen location, the Client shall be responsible for all costs associated with the delivery.

**9. Returns**
- Returns of the Products or Services shall be in accordance with the terms specified in the order. If the Client requests a return of the Products or Services, the Client shall be responsible for all costs associated with the return.

**10. Liability**
- Elsevier shall not be liable for any losses or damages suffered by the Client as a result of the order, including but not limited to any losses or damages resulting from the failure or delay of Elsevier in supplying the Products or Services.

**11. Force majeure**
- Force majeure events shall include, but not be limited to, acts of God, war, strikes, civil commotion, governmental action, and any other event beyond the control of the Parties. The Parties shall not be liable for any failure or delay in performance of their obligations under the order due to such events.

**12. Entire agreement**
- These Terms and Conditions of Supply constitute the entire agreement between the Parties and supersede any previous agreements or understandings.

**13. Governing law**
- The formation, existence, construction, performance, validity and all aspects of the order shall be governed by the law of the country in which the order was executed. The parties agree to submit to the jurisdiction of the courts of such country.

**14. Amendment**
- Any amendments to these Terms and Conditions of Supply shall be in writing and signed by an authorized representative of the Parties.

**15. Waiver**
- The failure of a Party to enforce any provision of these Terms and Conditions of Supply shall not be deemed a waiver of such provision or any other provision.

**16. Severability**
- If any provision of these Terms and Conditions of Supply is held to be invalid or unenforceable, the invalid or unenforceable provision shall be replaced or modified as necessary to give effect to the intent of the Parties as closely as possible to the provisions.

**17. Notice**
- Notices shall be given in writing and shall be deemed to have been given when sent by email, fax, or registered mail, to the address of the Party to be notified or as otherwise agreed by the Parties.

**18. Entire agreement**
- These Terms and Conditions of Supply constitute the entire agreement between the Parties and supersede any previous agreements or understandings.

**19. Governing law**
- The formation, existence, construction, performance, validity and all aspects of the order shall be governed by the law of the country in which the order was executed. The parties agree to submit to the jurisdiction of the courts of such country.
