The Journal for Nurse Practitioners

Overview

*JNP: The Journal for Nurse Practitioners* provides a highly credible resource to help nurse practitioners stay current with the clinical and policy concerns affecting their day-to-day practice. In addition to peer-reviewed clinical articles and original research, *JNP* features continuing education opportunities and commentary on pressing legislative, regulatory, and clinical practice issues. *JNP*, an official publication of the American Association of Nurse Practitioners, supports advocacy by demonstrating the role that policy plays in shaping practice and delivering outcomes.
